**Von Lee Lynch : The Swashbuckler (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Swashbuckler (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A perfect summer novel!Von Ein KundeLee Lynch's "Swashbuckler" chronicles about 15 years in life of Frenchy Tonneau, a New Yorker, from her coming of age to her fifthanniversary with her lover. The most compelling reason to

read this book is Lynch's treatment of Frenchy. Where other lesbian authors have reverted to stereotypes and one-dimensional characters, Lynch's Frenchy is vibrant and lovable, but not perfect as her life is followed through the 1950's and 1960's. The author uses locations, class, and the City of New York almost as if they were characters themselves, each with their own pivotal roles to play. The author also addresses family relationships, both negative and positive, in a realistic light. Overall, the book is interesting, entertaining, and educational, and well worth the couple of hours it took me to read it! I would recommend this book to readers in high school or older, and it's the perfect book for the beach or the subway bench.

Kurzbeschreibung Frenchy Tonneau leaves her closeted home in the Bronx for the bars of New York City, the freedom of Provincetown, and the liberation of Greenwich Village in the 1960s and 1970s. Her hangouts, her women, her small yet universal world tell the stories of the times and the stories of lesbians today. A timeless journey and a riveting read, The Swashbuckler is heart-wrenching, heartwarming, and unforgettable.
