KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Schne Geschichte aus der Talyton St. George - SerieVon JustineWer schon die Bcher um die Tierrztin Maz mochte, wird auch dieses gerne lesen. Eine absolut warmherzige und vergngliche Geschichte mit Romantik und Komik und wie gewohnt einer groen Portion Tierliebe! Ich empfehle die gesamte Serie als lesenswerte "Chick Lit" fr alle Hunde-,

Katzen- und Pferdeliebhaberinnen.

KurzbeschreibungThe third novel in Cathy Woodman's hugely popular Talyton St George series. Each book in the Talyton St George series can be read as a standalone novel, but when Cathy first had the idea of writing about a vet practice, she intended it to be a trilogy about two vets - Maz and Alex. Their names are in brackets to show which books feature their story. All the other books have new characters, although Maz and Alex always crop up now and again. Talyton St George, the story so far: Trust Me, I'm a Vet (Maz and Alex) Must Be Love (Maz and Alex) The Sweetest Thing It's a Vet's Life (Maz and Alex) The Village Vet Vets in Love Country Loving The Three of Us (Digital short story, companion to Follow Me Home) Follow Me Home **Pressestimmen** "Fun, easy-going romp with well-drawn characters ... If you like animals, fish-out-of-water yarns and a splattering of romance - you will love this." **Peterborough Evening News** **Werbetext** The third novel in Cathy Woodman's hugely popular Talyton St George series
