**Von Lynsay Sands : The Switch** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Switch:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. To boy or not to boy....LOL...that is the question!!!,Von Deborah MacgillivrayOkay, if you have not found this delightful

book that is full of sides-splitting laughter, then you have really missed a delightful read!!!Lynsay is fast providing she is the Queen of Hi-jinx with this case of Switcheros!! When Jeremy Radcliff first meets 'Charlie' and his/her sister, they are escaping from their uncle - taking turns in the guise of one of them playing a young gentleman and the other a widow to observe propriety and escape detection. But problems abound when Jeremy "insists" on escorting them to London!!From the first, when Charlie sets eyes on the handsome lord - and then promptly falls out a window - she knows her guise as a lad is doomed to failure or frustration!! She is not sure which!!A glorious great tale sure to help pass a rainy weekend!! I do not recommend reading this on the beach - as you will have everyone staring at you wondering why you are howling hysterically!!!4 von 4 Kunden fanden die folgende Rezension hilfreich. Give us more stories like this!Von michelleThis is my all time favourite! After reading many novels of similar plotting, "The Switch" is a real original. I loved the humor and couldn't help laughing out loud and hard. The characters are so well drawn and Charles/Charlotte is just the best heroine. There is so much in this story that one must feel blessed to have sampled it. The best feature of this novel is the affections Lord Radcliffe feels for Charlie when in her disguise as a boy. Radcliffe's confusion of his own sexual preference is something to laugh at. The humour and wit and mishaps I so thoroughly enjoyed. It is entertaining when these two characters are thrown together, especially when Charlie plays "Charles". From the scene where Radcliffe wakes to find Charles tangled in his arms I could not put it down. This is a must read again and again!3 von 3 Kunden fanden die folgende Rezension hilfreich. "Laugh Out Loud" Funny!Von Ein KundeThis is my first Lyndsay Sands book but certainly not the last. This book is definitely an ORIGINAL! Although I have read books where one twin disguises herself as a boy, never where the hero falls in love with her when she was still a "boy". The confusion that Radcliffe suffers throughout the story could only be described as pure, unadulterated, HILARIOUS torment! While the story seemed a bit improbable, nothing could detract from the FUN of seeing poor Radcliffe deal with his conflicting urges whenever Charlie flipped back and forth between "Charles" and her impersonation of her sister, Elizabeth. I especially liked the scene where he wakes up cuddling "Charles" and his subsequent panicked reaction. Of course, when Radcliffe takes "Charles" to a brothel in order to make a man out of her. . . I laughed so hard I cried! GREAT ENTERTAINMENT!!!

KurzbeschreibungWhen they first met Lord Jeremy William Radcliffe, Charlie and her twin sister, Elizabeth were escaping from their uncle-taking turns acting the young gentleman to avoid detection. But Charlie couldn't help falling head over heels-and out of a window-for the handsome lord. Of course, that was only the beginning; Lord Radcliffe insisted on showing him and her lovely sister to London.But how could he do that? With every touch, Radcliffe seemed unknowingly to incite indecent desires in Charlie, and his fraternal intent was certain to land her in a fine mess. Though it was a great game to play a boy, there was more fun in being female. And after one brush of his fiery lips when her guise was gone, Charlie swore to be nothing but his fiery woman forevermore. KurzbeschreibungWhen they first met Lord Jeremy William Radcliffe, Charlie and her twin sister, Elizabeth were escaping from their uncle-taking turns acting the young gentleman to avoid detection. But Charlie couldn't help falling head over heels-and out of a window-for the handsome lord. Of course, that was only the beginning; Lord Radcliffe insisted on showing him and her lovely sister to London.But how could he do that? With every touch, Radcliffe seemed unknowingly to incite indecent desires in Charlie, and his fraternal intent was certain to land her in a fine mess. Though it was a great game to play a boy, there was more fun in being female. And after one brush of his fiery lips when her guise was gone, Charlie swore to be nothing but his fiery woman forevermore. Synopsis Fleeing the tyranny of their uncle, Charlie and her twin sister Elizabeth take turns playing the "young gentleman" escorting a lady, but their masquerade proves frustrating when Charlie falls for Lord Jeremy William Radcliffe and decides to risk revealing her true identity. Original.
