The Talbot Mundy MegapackVon R Range Cloyd JrAlthough I haven't finished the entire book, what I have read so far is well written and especially good for those "rainy days" when you want to sit by the fire and relax with a good book that isn't too exacting on your brain. The only negative comment is that sometimes there are mistakes in the texts, i.e., parts repeated, hi instead of her, etc. but this doesn't detract from the overall text.R. Cloyd
