(English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Tale of Peter Rabbit: By Beatrix Potter Illustrated (An Audiobook Free!) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.
Mogelpackung (bezieht sich auf die Kindle-Version)Von Melanie V.Diese Rezension bezieht sich auf die Kindle-Version um 99c, nicht auf eine der anderen hier verfügbaren Ausgaben!Das Buch wird dem Kufer als "illustriert" untergejubelt. Gut, illustriert ist es, allerdings mit Bildern, die in keinerlei inhaltlichen Zusammenhang zur Geschichte stehen. Da gibt es Stilleben, Landschaftsbilder, etc., alles vollkommen zusammenhanglos in die Geschichte geworfen. Wie kommt das?Zustzlich ist das Buch extrem schlecht formatiert. Die berschriften heben sich in keinerlei Form vom Flietext ab, dadurch liest sich alles arg zerhackt. Ein paar Seitenumbrche htten der Formatierung auch gut getan. Auf diese Weise kann kein wirkliches Lesevergnngen aufkommen.Die Geschichte selbst ist ein Klassiker der britischen Kinderliteratur, die ich selbst als Kind (damals in der deutschen bersetzung) geliebt habe. Davon, diese Version zu kaufen, rate ich aber jedem ab. Dafr auch noch Geld zu verlangen, und wenn nur 99c (es handelt sich schlielich um eine urheberrechtsfreie Geschichte, auf Projekt Gutenberg etwa findet sich dazu auch eine kostenlose Variante), ist eine Unverschmtheit.2 von 2 Kunden fanden die folgende Rezension hilfreich. A classic from my childhoodVon SchnuslWhen I was in grade school I read all the Beatrix Potter books I could get, which was not easy in Austria. I loved the simple but exciting stories about the animals. Peter Rabbit is a good start and I have been reading it to a 4 year old, who also loves the story. He has started calling all bunnies he sees "Peter Rabbit". It is a nice and positive story that leaves space for the child's fantasy and inspiration.0 von 0 Kunden fanden die folgende Rezension hilfreich. Meine liebste Serie als KindVon ragBeatrix Potter aus Gloucester malt die schnsten Tiere seit ihrer Kindheit - und noch schne Geschichten dazu. Dies wird ein Babygeschenk fr die Englisch- Kollegin

KurzbeschreibungHow is this book unique? Free AudiobookIllustrations includedUnabridgedThe Tale of Peter Rabbit is a British children's book written and illustrated by Beatrix Potter that follows mischievous and disobedient young Peter Rabbit as he is chased about the garden of Mr. McGregor. He escapes and returns home to his mother who puts him to bed after dosing him with camomile tea. The tale was written for five-year-old Noel Moore, son of Potter's former governess Annie Carter Moore, in 1893. It was revised and privately printed by Potter in 1901 after several publishers' rejections but was printed in a trade edition by Frederick Warne Co. in 1902. The book was a success, and multiple reprints were issued in the years immediately following its debut. It has been translated into 36 languages and with 45 million copies sold it is one of the best-selling books of all time. The book has generated considerable merchandise over the decades since its release for both children and adults with toys, dishes, foods, clothing, videos and other products made available. Potter was one of the first to be responsible for such merchandise when she patented a Peter Rabbit doll in 1903 and followed it almost immediately with a Peter Rabbit board game..deThe quintessential cautionary tale, Peter Rabbit warns naughty children about the grave consequences of misbehaving. When Mrs. Rabbit beseeches her four furry children not to go into Mr. McGregor's garden, the impish Peter naturally takes this as an open invitation to create mischief. He quickly gets in over his head, when he is spotted by farmer McGregor himself. Any child with a spark of sass will find Peter's adventures remarkably familiar. And they'll see in Flopsy, Mopsy, and Cotton-tail that bane of their existence: the "good" sibling who always does the right thing. One earns bread and milk and blackberries for supper, while the obstinate folly of the other warrants medicine and an early bedtime. Beatrix Potter's animal stories have been a joy to generations of young readers. Her warm, playful illustrations in soft colors invite children into the world of words and flights of fancy. Once there, she gently and humorously guides readers along the path of righteousness, leaving just enough room for children to wonder if that incorrigible Peter will be back in McGregor's garden tomorrow. (Ages Baby to Preschool).comThe quintessential cautionary tale, Peter Rabbit warns naughty children about the grave consequences of misbehaving.
