Von Catherine Coulter : The Target (An FBI Thriller) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Target (An FBI Thriller):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Better than GreatVon John SmithThis was one of the best mystery novels I have read. Maybe it is because I was a single parent dad, but Judge Hunt's desire to protect Emma really touched me. His romance with Mollie was wonderful, and the mystery was superb. You must read this.0 von 0 Kunden fanden die folgende Rezension hilfreich. Very GoodVon Ein KundeI'm a big fan of Ms. Coulter, so I looked forward to reading this book. It was a very interesting read and definitely kept my attention. I loved the relationship between the heroe and the little girl and found their ability to work as a team and trust one another interesting. The eventual, father child relationship was the evolvment of a friendship formed out of tragedy which becomes something very precious. That being said, I think the wonderfully

evolving relationship of our protagonist and the child was very well developed, but it seems that it was at the expense of developing the relationship between the heroine and the child's mother. I don't quite believe (based on the way the relationship between them is developed) that this is a real love match. By the end of the book, although it was clear that they were in love, the relationship was never fully developed enough for me to reach that conclusion on my own. The other problem I had with the book were the number of subplots. It did become a little confusing and the tie-ins at the end were not always plausible. I did enjoy the well placed humour between the two and would definitely recommend the book to others. While it's not as good as Ms. Coulter's best books, it's still a Coulter book, which makes it pretty darn good.

0 von 0 Kunden fanden die folgende Rezension hilfreich. i Have only started the book Von Ein Kunde I am going to to be in Eureka California on Aug 11 1999 I Would love to meet you, It says you live in northern California. I will be staying in the Holiday Inn In McKinleyville close to Ferndale Ca. My Daughter is in the Coast guard station med there. I bought your book to read on the plane. I don't read many books but your book looked good so i bought it. i would love for you to autograph it on the August 12 for me. if you live close to To The Hotel I could come to you but coming from the south the polite thing to do is let you you come to me in case you want don't want to be disturbed. I would be the the most honored person in the the state of Alabama to have your autograph but i do not want to bother you. i bought your book "The target so i will be half way through it by then so it would be an honor to meet you. I am also a bookkeeper at an elementary school this year so some of the the teachers would be be delighted for you to be the element of conversation (so would I). Ms Coulter I would love to meet you and it is not like it is an everyday occurrence for someone in Alabama to meet a real author. I am planning to go to San Francisco on Saturday To Take MY daughter. Everything is so expensive out there i feel i must show her some of the sites there. In Eureka there is a lot to see but as a young girl you can imagine she wants to see the big city. She is in the little towns 11 weeks and since every thing is so expensive she can not go any where too much. hope to see you while we are there. sincerely Lanatha Gail Lehmann Deatsville. Alabama

Kurzbeschreibung FBI agents Dillon Savich and Lacey Sherlock are faced with the case of an abducted child. But is the girl's kidnapper really her savior? From the Paperback edition. From Booklist Coulter continues the suspense-filled series she began with *The Cove* (1996) and *The Maze* (1997), even bringing in some of the same characters. Her latest is set in the Colorado mountains, where Judge Ramsey Hunt has fled to recuperate after being forced to shoot a man during a melee in his courtroom. But his dream of peace and quiet is shattered when he discovers an unconscious, beaten, and sexually abused little girl who is too traumatized to speak. Reluctant to subject her to any more terror, Ramsey refrains from going to the authorities and cares for her himself. But once again, violence intrudes, first when two gunmen attempt to take the girl, and then when her mother, Molly, appears, ready to kill the man she believes is the kidnapper. Miraculously, Emma regains her voice in the nick of time, so Molly and Ramsey join forces and attempt to solve the mystery of her abduction. Emma is a target for any of a number of reasons--her father is a famous rock star with a gambling problem, and her grandfather is a Chicago Mob boss--and Coulter, who doesn't stint on humor or romance, keeps readers guessing. Patty Engelmann *Pressestimmen* "A blend of romance, mystery, and excitement." "A blend of romance, mystery, and excitement. ("Fort Worth Daily Sun") A blend of romance, mystery, and excitement. (
