**Von Gerri Hill : The Target (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Target (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. YESVon high artEinfach nur empfehlenswert. Die Charaktere sind allesamt sympathisch und glaubhaft, der Handlungsstrang

spanned und romantisch. Ich habe dieses Buch in einigen Stunden verschlungen, wollte einfach nicht mehr aufhören zu lesen. Habe noch um 4 Uhr morgens schallend während des Lesens aufgelacht. Die Autorin schreibt in einem einfachen, spitzbissigen Stil, der mir ausserordentlich gefiel. Auf den Punkt gebracht: Liebe. Check. Witz. Check. Spannung. Check. Für Englischmuffel auch empfehlenswert, durch einfache Satzkonstrukte. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gute Unterhaltung Von Gioia Spannend, leicht zu lesen, gute Unterhaltung - das letzte Kapitel wäre nicht mehr nötig, diese sexszenen Kapitel sind langweilig, weil immer gleich. 2 von 3 Kunden fanden die folgende Rezension hilfreich. genial Von Astrid Dieses Buch ist es mehr als Wert gelesen zu werden. Absolut spannend und auch charmant geschrieben. Ich kann dieses Buch nur empfehlen

**Kurzbeschreibung** Sara Michaels is the daughter of a prominent senator who has just announced his candidacy for President of the United States--the same senator who has been receiving death threats against his family. Sara Michaels is also the owner of a self-help clinic and is hell-bent--despite the FBI's warnings--on leading a group of ten women on a two-week sojourn through the Rocky Mountains. In an effort to protect Sara, the FBI recruits homicide detective Jaime Hutchinson to infiltrate the group and secretly provide the protection they are so certain Sara will need. After some clever maneuvering, Jaime finds herself welcomed by the ten conservative women--who soon begin playing matchmaker with Sara and Jaime. But then Jaime is reminded of the reason that she has joined this group of women when she's forced to lead them out of the mountains and away from a sniper's bullets. Will Sara finally figure out who is behind the death threats? And will Jaime realize the truth--and be able to save Sara before it's too late?

**Synopsis** Sara Michaels, owner of the self-help clinic The New You, is taking a group of ten women on a two-week sojourn into the Rocky Mountains to celebrate their newly found self-confidence. Her father, a senator and presidential candidate, has received death threats against his family. The FBI tells Sara of the threats, but she refuses to be intimidated and declines their offer of protection. Denver homicide detective Jaime Hutchinson is recruited to infiltrate the group of women and secretly provide protection. She reluctantly agrees only after being assured the assignment is purely for appearance purposes only. She has no desire to "baby-sit" a senator's daughter, so she views the trip as a vacation. After feigning injury on the trail, she is absorbed into the group as a tag-a-long. Soon, ten conservative women are playing matchmaker with Sara and Jaime. But her so-called vacation comes to an abrupt end when she notices they are being followed. Fearing Sara is the target of a real threat, Jaime is forced to confess her mission. She attempts to lead the group out of the mountains and away from the sniper's bullets. Will Jaime succeed in saving Sara?
