Super Mario ReadingVon Robert LambThoroughly enjoyed this book,the pace in which the story unfolded was amazing.It isn't easy to balance the story between the future and the past. However I think that Mario succeeded. All in all a great read.0 von 0 Kunden fanden die folgende Rezension hilfreich. An excellent read from the first page to the last.Von

Adrian White This is the second book of a trio and I hope the 3rd is just as good as the last two.
