Issac bell is always goodVon PeterThe series may seem alike - well, they are - but the description of the times is wonderful and makes the books. The story is typical Cussler - you either like them or don't. The plot has been used a thousand times. Bad guy out to do great harm. Good guy gets him right in time. I like the ambient, so for me the stories are

good, but not everyone wants another "good guy saves the world" story.0 von 0 Kunden fanden die folgende Rezension hilfreich.
