**Von Stephen Hunter : The Third Bullet: A Bob Lee Swagger Novel (Bob Lee Swagger Novels)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Third Bullet: A Bob Lee Swagger Novel (Bob Lee Swagger Novels):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. So close to 5 stars, and then it failsVon Don StefanoI would have loved to give this book a five-star review, because when I started reading it, I was really intrigued and fascinated by the ideas of the book. To give you some of my background: I am a JFK assassination buff and I love reading new books and novels on this topic, so I really enjoyed reading this book. It gives you some fantastic background information and a lot of things to think about (at quite a few points I had to admit that I thought "He is right, this IS a good question. Why did I not think about this), so up to about 2/3 of the book I absolutely loved it - and then it failed majestically in my opinion.Why do I think it failed? The book basically consists has two narration strings, one being the one with Swagger and the other one being the one with the evil mastermind. Both narrations read extremely interesting, right at 2/3 of the story the mastermind suddenly switches the target of his assassination plans. Up to that point he had planned to use LHO as a patsy for the assassination of General Walker, a real person and an extreme right-wing bastard. Everything was planned and about to be executed, then the mastermind finds out that JFK would come to Dallas and on a whim decides "yepp, let us switch the target and kill JFK". The explanation that he gives why he wants to kill JFK is extremely flimsy, whereas up to that point everything was well thought through and well documented. And that was the point where I went from "this book is amazing" to "meh". I also thought that the ending of the book was a real let-down, since it suddenly switches to a manhunt.Too bad, I really loved this book up to that stage and I would have recommended it to everyone, to JFK buffs as well as to anyone liking a good read.0 von 0 Kunden fanden die folgende Rezension hilfreich. IntriguingVon Susie NjiksStephen Hunter's The Third , is a well-written book with a depth that I enjoyed. He wrote it in an engaging manner. The prose is excellent and he presented an interesting angle to JFK's assassination. The book is full of intrigues and made the plot exciting, taking the reader across the world in a manner few writers can do. It is not a style we see often. In short, The Third Bullet, and Triple Agent Double Cross, presented the character of a killer in an amazing way that we hardly see around. The insight is fascinating.0 von 0 Kunden fanden die folgende Rezension hilfreich. Fr SpezialistenVon julie b.und zwar fr die, wo sich gut auskennen in Waffen, Projektile usw. - oder sich stark dafr interessieren - . Und auch fr die wo sich fr den Mord von Kennedy interessieren.Das Buch hat etwas gar langsam angefangen, aber - wie so oft - ab 2. Hlfte oder so, wurde es doch recht spannend.Allgemein geb ich zu: ich mag den Swagger... positives Vorurteil...Aber diese Geschichte? gemischte Gefhle...

KurzbeschreibungFormer marine sniper Bob Lee Swagger investigates one of the most enduring controversies of our timethe JFK assassinationin this New York Times bestselling terrific thriller (Booklist, starred review).Bestselling author Stephen Hunter takes on one of the most shocking crimes in American history when his celebrated hero ex-Marine sniper Bob Lee Swagger follows the smallest hint of a lead to its staggering conclusionabout the fateful third bullet that ended the life of President John F. Kennedy. . . .Pressestimmen"Former Marine sniper Bob Lee Swagger tackles the granddaddy of all conspiracy theories--the 1963 Kennedy assassination--in his latest adventure. . . . The author's obsessive attention to the events of Nov. 22 yields a stunningly plausible theory that will have readers holding the book in one hand and Googling satellite photos of Dealey Plaza and the Texas School Book Depository with the other." "Hunter is extremely well-versed on guns and ballistics, and Swagger is nothing short of a legend. . . . it'll be catnip to conspiracy-minded readers . . . The whole thing ends with a shootout in rural Connecticut that's so tense you'll burn your dinner rather than stop reading." "Hunter's action-packed new thriller, "The"Third Bullet" . . . introduces a shockingly plausible alternative to the Lee Harvey Oswald-'lone gunman' explanation." "For nearly 50 years, the world has been obsessing over the assassination of JFK, from grassy knolls to magic bullets. Finally, though, there's somebody on the case who likes to act more than talk: Bob Lee Swagger. . . . like Stephen King in "11/22/63", Hunter has used the assassination to forge a terrific thriller." "Bestseller Hunter's solid eighth thriller featuring master sniper Bob Lee Swagger . . . plunges into the byzantine world of conspiracy theory. Hunter develops some new angles on the JFK assassination." "Some of Hunter's best writing can be found here, along with new revelations about Swagger . . . . Then, of course, there is the investigation into Kennedy's death on that fateful day in Dallas and its conclusions. Hunter raises some thought-provoking questions, and while the 'who' in the equation may still be in doubt, the answers to the 'what' and 'how' may be contained in this work, which is labeled as 'fiction' but could be much more." "The Swagger novel we've all been waiting for, and the Swagger novel Stephen Hunter was born to write . . . a magnificent thriller--and it might even be true."--Lee Child "#1 New York Times bestselling author of A Wanted Man and The Affair" "Like an elite sniper, Stephen Hunter zeroes in on one of the most infamous shots ever fired and delivers a mind-bending thriller that answers the question 'What if?' in astonishingly plausible detail. "The

"The Third Bullet" is his best Bob Lee Swagger thriller yet."--Vince Flynn "#1 New York Times bestselling author of Kill Shot ""The Third Bullet" is as riveting as it is ambitious. It's Stephen Hunter's best so far."--Michael Connelly "#1 New York Times bestselling author of The Drop and The Black Box ""Stephen Hunter is the bullseye ace of the modern thriller, a cerebral mix of mystery, blood, brutality, treachery and suspense. "The Third Bullet" is Hunter at the absolute apex of his art. Come on--it's time to hunt!"--Stephen Coonts "New York Times bestselling author of The Disciple "KurzbeschreibungFormer marine sniper Bob Lee Swagger investigates one of the most enduring controversies of our timethe JFK assassinationin this New York Times bestselling terrific thriller (Booklist, starred review).Bestselling author Stephen Hunter takes on one of the most shocking crimes in American history when his celebrated hero ex-Marine sniper Bob Lee Swagger follows the smallest hint of a lead to its staggering conclusionabout the fateful third bullet that ended the life of President John F.
