Futuristic story Von Dannyfiredragon Wonderful Debut novel by the very talented author Angel Lynn. Covertext: Jerad watches with disbelief as the stunning, raven-haired beauty tumbles from nowhere and falls through the skies. Ordained as Keeper of the Key it is his duty to seek the wisdom he knows she possesses, the knowledge to unlock the mystery to the Edict of Oneroi... There is just one problem. After plunging through the skies and hitting her head, Sera has lost her memory. And now this warrior has every notion of taking her home. What choice does she have? So she follows him, ends up in his bed... and somehow, becomes his bride! The book is a real keeper and you won't be able to put the book down till you are finished.
