Von Graham Greene : The Third Man and the Fallen Idol: AND "The Fallen Idol" (Vintage Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Third Man and the Fallen Idol: AND "The Fallen Idol" (Vintage Classics):

KundenrezensionenHilfreichste Kundenrezensionen3 von 4 Kunden fanden die folgende Rezension hilfreich. An interesting story but not classic Graham GreeneVon Ein KundeThe author states in the preface that "The Third Man"

was never written to be read but only to be seen" which perhaps explains the sketchy treatment of characters throughout the story. At times I was confused by the various people in the book and had to reread some pages. The storyline was interesting and quite exciting and I look forward to seeing the film. The other story in the book, "The Fallen Idol", is only 30 pages long but Greene manages to convey a sinister atmosphere and great depth of characters - a very enjoyable story. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Super Von A.S. Buch kam pünktlich bei mir an. Für mich ein wichtiges Kriterium. Das Buch weist leichte Gebrauchsspuren auf, aber diese liegen definitiv im Rahmen. Nur der Umschlag ist etwas geknickt und im Buch an sich ist alles tip top. Received the book on time. Most important criteria for me. Book shows slight signs of use. The book cover is slightly snapped, but the insides of the book are perfect. Thank you.

Kurzbeschreibung WITH AN INTRODUCTION BY IAN THOMSON The Third Man is Graham Greene's brilliant recreation of post-war Vienna, a 'smashed dreary city' occupied by the four Allied powers. Rollo Martins, a second-rate novelist, arrives penniless to visit his friend and hero, Harry Lime. But Harry has died in suspicious circumstances, and the police are closing in on his associates... The Fallen Idol is the chilling story of a small boy caught up in the games that adults play. Left in the care of the butler and his wife whilst his parents go on a fortnight's holiday, Philip realises too late the danger of lies and deceit. But the truth is even deadlier. Pressestimmen A master storyteller, one of the first to write in cinematic style with razor-sharp images moving with kinetic force. Newsweek Werbetext 'Graham Greene has wit and grace and character and story and a transcendent universal compassion that places him for all time in the ranks of world literature' John le Carr
