KurzbeschreibungGreat girl. Great work. Great money. Big problems.As the go-to private detective for a bevy of high-profile clients, ex-Buddhist monk, ex-LAPD officer, Tenzing Ten Norbu, has finally found his stride. With his beautiful pathologist girlfriend, a healthy bank account and a steady stream of clients, courtesy of middle-aged movie star Mac Gannon and rising political star Bets McMurtry, Tens life is bursting with activity. But its not all joy and happiness. The death of his father and a growing abundance of secrets both personal and professional leave Ten feeling an unexpected depth of sorrow and confusion. Even with the emotional turmoil, nothing can stop Ten from taking the case when McMurtrys housekeeper goes missing. The investigation leads him down a dangerous path littered with bodies, untraceable prescription drugs, and human organ trafficking. But nothing is as shocking as the realization that the mastermind behind it all is none other than Chaco Morales, a criminal that slipped through Tens hands once already.The Third Rule of Tenwill have readers on the edges of their seats, as they learn, along with Ten, that there is a fine line between healthy privacy and unhealthy secrecy. Knowing the difference may just determine whether Ten will stop Chaco or lose himself.For character profiles, interviews and more about the Rules of Ten private detective novels, visit rules-of-ten.com.PressestimmenA fast-paced thriller with a heart. Great storyline, refreshingly different characters and dazzling insights when you least expect them. -- David Michie, author of The Dalai Lama's Cat Tenzing 'Ten' Norbu may be the most interesting PI in modern crime fiction. The Third Rule of Ten, the third book in the series, is beautifully written and intricately plotted, but as always, it's the heart and soul of Ten that carry the greatest appeal, drawing the reader on a spiritual journey that is as satisfying as the climax. I loved this book. -- Robert Ferrigno, New York Times best-selling author of the Assassin trilogy The Third Rule of Ten will grab you by the throat and not let go. In Tenzing Norbu, Gay Hendricks and Tinker Lindsay have created a Buddhist action hero (yes, there is such a thing) who is sympathetic, moral, and self-reflective. Crackling with wit, superbly drawn characters, and a blistering plot, The Third Rule of Ten will keep you going until you take a deep, meditative breath on the last page. -- Diane Mott Davidson, New York Times best-selling author of The Whole Enchilada I loved it! -- Jack Kornfield, author of A Path with HeartKurzbeschreibungGreat girl.
