Von Muriel Jensen : The Third Wise Man (The Delancey Brothers) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Third Wise Man (The Delancey Brothers):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A beautiful romanceVon Ein KundeAfter a year of managing the Oregon winery they inherited from their deceased uncle, the Delancey brothers are pleased with their success. Though the winery itself has a bit to go before making a profit, the bed and breakfast and the restaurant are already winners. Mike and Tate have found love and happiness with their new wives, leaving the youngest, gourmet chef Shea, the lone bachelor of the three siblings.Everything changes for Shea when he watches a TV reporter question Samantha Haskell about her family's business failure. Sam handles the setback with class, but a shaken Shea learns that his former lover Sam recently gave birth to an infant that he must have sired. He leaves for San Francisco to confront Sam. When he sees her, Shea knows he still loves her and made a

bad error last year when he rejected her plea to allow her to help him with his financial crisis. Desperate to have Sam and child in his life, Shea blackmails her into spending the holidays in Oregon where he prays that the loving environment will persuade Sam that they belong together. THE THIRD WISE MAN, the final Delancey brother tale, is an enjoyable contemporary romance that retains the magic of the first two tales but travels down a different path. The story line is entertaining as Shea learns how much his decision hurt. The return of lead characters from the previous two novels (see FIRST BORN SON and SECOND TO NONE) provides the readers with a warm family feeling for the holidays. Muriel Jensen makes Christmas a joyful time with a fun to read book. Harriet Klausner

Kurzbeschreibung The DELANCEY BROTHERS Three very different brothers. Three very different lives. One great opportunity Shea Delancey knows what he wants for Christmas A year earlier, Shea and Samantha Haskell had marriage in mind. But when his restaurant failed, pride compelled him to refuse her offer of money and to shelve their relationship until he was on his feet financially. Now Samantha has money troubles. Samantha and her baby boy Shea's son! Shea is determined to help Samantha and the child he didn't even know he had. But, ironically, she's as unwilling to accept his aid as he was hers. If he could get her to spend Christmas with the warm and caring Delancey clan, maybe he could wear down her resistance. First, though, Shea has to get them two of them to Oregon. And once he realizes how much he still loves Samantha, he has to figure out a way to keep them there.
