Romantic and funnyVon Stefanie K.ARC recieved via Netgalley and Loveswept in exchange for an honest review.I

haven't read the first two books about the Chase brothers but I never had the feeling that I missed out anything. I never had problems finding into the story. This book has some very strong and likeable characters who made me immediately enjoy the story. Rue is a very strong and independent woman, she has certain aims in her life she wants to achieve. But what will she do when her feelings are messing up those plans?! Then we have Ethan who is still struggling with life after losing his wife. He was described as a very down to earth man and it was easy to understand his struggles. I really liked them both and they made a great couple. This book is a very cute read with lots of romantic and funny scenes. I also enjoyed the writing style of Sarah Ballance. I am looking forward to read about the other Chase brothers.

Kurzbeschreibung With him, there's no faking anything. Ethan Chase isn't interested in dating. After losing the woman he loved more than life itself, he'd much rather ride solo, but his family is dead set on fixing him up. To get them off his back, he hooks up with ultra-adventurous, ultra-temporary adventure photographer, Rue Campbell. All he has to do is survive three weeks in her orbit and he'll be single again, only without the pitying looks and pressure to move on. Rue is literally counting the days until her plane leaves New York City. The last thing she wants is a relationship, but being Ethan's pretend girlfriend can't hurt, right? Wrong. With Ethan, there's no faking anything in or out of the bedroom. With the sheets burning hot and the clock ticking on their arrangement, Rue realizes she's falling for a man guaranteed to derail her goals...and break her heart. Each book in the Chase Brothers series is a standalone, full-length story that can be enjoyed out of order. **Series Order:** Book #1 Five Things I Love About You Book #2 For Seven Nights Only Book #3 The Three Week Arrangement **Kurzbeschreibung** With him, there's no faking anything.
