Von Sherwood Smith, Dave Trowbridge : The Thrones of Kronos (Exordium Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Thrones of Kronos (Exordium Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. One story ends, another beginsVon Ein KundeThe main thrust of the plot from the previous books is completed, but a new storyline is opened. I was prepared to be frustrated by this book when the name was changed from what was listed at

the end of the previous book, but it turned out very well. The plots are resolved, and the fate of the attack by Dol'jhar on the Thousand Suns is revealed. Two personal and one general plots are started at the end, however, and I would clearly expect new novels to follow. The grand style that requires careful reading for full effect continues here, and the careful character development is still a joy to read. Von 0 Kunden fanden die folgende Rezension hilfreich.
Brilliant! Von Ein Kunde I just finished reading it for the fifth time, and it just gets deeper and more profound and more exciting and better. It is the very best space adventure ever, so why did the IDIOT publishers make it impossible for people I recommend it to to find? Who could be so stupid?

Kurzbeschreibung Completely revised for ebook release, in this last volume the desperate fight to recover the Panarchy of the Thousand Suns is about to commence. Brandon hai-Arkad has been crowned Emperor, but his throne remains in the hands of his enemy, Jerrod Eusabian of Doljhar. The fleet has been gathered, the order of battle drawn. Brandon will reclaim his fathers empire, or face annihilation. This is the exciting conclusion to the Exordium series.
Kurzbeschreibung Completely revised for ebook release, in this last volume the desperate fight to recover the Panarchy of the Thousand Suns is about to commence. Brandon hai-Arkad has been crowned Emperor, but his throne remains in the hands of his enemy, Jerrod Eusabian of Doljhar. The fleet has been gathered, the order of battle drawn. Brandon will reclaim his fathers empire, or face annihilation. This is the exciting conclusion to the Exordium series.
Synopsis The conclusion to the five-volume Exordium series of space adventures features the newly crowned Emperor Brandon hai-Arkad in a battle to reclaim his father's empire, the Thousand Suns, from his enemy. Original.
