Von Tom Sharpe : The Throwback before purchasing it in order to gage whether or not it would be worth my time, and all praised The Throwback:

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. English black humour at its best.Von Ein KundeI've lost count of the number of times I have read this book. I have lost numerous copies, which I have handed to Family and friends, never to see there return....Only Friends and Family on the end of the telephone, crying with laughter. If I never read another book, I will always be glad I read this. If you

haven't been privileged enough to read it yet, do yourself a favour, buy a copy as soon as possible, sit back, relax and enjoy.3 von 3 Kunden fanden die folgende Rezension hilfreich. Funniest book since "A Confederacy of Dunces"Von lizYou have not experienced true laughter until you read this one! I could not believe the things Sharpe put into this book! I tried explaining to people what the book was about, but it's just not possible. If you have a "questionable" sense of humor and enjoy comedy and even a little perversion...this is the ONE you MUST read!1 von 1 Kunden fanden die folgende Rezension hilfreich. GenialVon C.JamDieses Book habe ich bestimmt dreimal schon als Paperback gelesen und ich wollte es auch mein Kindle haben. Ich habe alles vom Tom Sharpe gelesen und fnf Sterne sind nicht ausreichend.Ich kann diesen Schriftstelle nur emphellen, fr alle die Englischen Humor erleben mchten dieses Buch ist ein muss.

KurzbeschreibungWhen Lockhart Flawse is catapulted out of his upper-class and rapunzel-esque life with the curmudgeonly Flawse Senior, he must enter the world of suburbia, and marriage. Rendered an absolute twit in modern society by his medieval upbringing, Lockhart must resort to drastic tactics in his attempt to return to Flawse House. Faced with the horrors of suburbia, he must either terrorise, blackmail and potentially kill an entire street of his tenants, or attempt to find his unknown and elusive father in order to inherit the estate. However, with the belief that he was dropped into his mother's arms by a stork, killing a street of people may be the wiser option for the socially inept young man. He is also under mounting pressure, as it may all be in vain if his gold-digging mother-in-law has her way. Now the wife of Flawse Senior, she has decided that if Lockhart's wealthy grandfather can't have the decency to die on his own, she will take matters into her own hands.PressestimmenA romp about one of natures gentlemen making his innocent and ruthless way through the jungle of contemporary sex, VAT, law and order, etc savage, knock-about farce.ObserverWerbetextA hilarious dose of British farce from Tom Sharpe, the bestselling author of Wilt and Porterhouse Blue.
