Von Dorothy Gilman : The Tightrope Walker before purchasing it in order to gage whether or not it would be worth my time, and all praised The Tightrope Walker:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Crafted,

not just written, suspense. Von Ein Kunde Gilman can write. Her protagonist, Amelia Jones, is a real person, with a history beyond the front cover of the book. That history is revealed slowly, in fact Amelia doesn't realise how much is revealed, during the course of the story; gradually the reader is drawn into her life as much as her search for a past murder, victim, and murderer(s), until knowing that Amelia is growing and maturing greatly is perhaps more important than knowing that the evil ones will be brought to justice. The only downside to the book is that there is a simply wonderful book "The Maze in the Heart of the Castle" central to both the plot and Amelia's character; i want to read that book, but Gilman invented it and its sequel without writing them. Very unfair of her, i thought. 1 von 1 Kunden fanden die folgende Rezension hilfreich. "They're going to kill me soon..." Von Ein Kunde A note found in a old hurdy-gurdy (barrel organ) leads a young woman on a search for answers about its author and finds more than she bargained for. Another excellent tale of self-development with a backdrop of small town life and painted in sharp colors of good evil. Just enough suspense to keep it interesting. If you liked 'Uncertain Voyage', you'll like this one, too. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A great book Von Ein Kunde This book was wonderfully written, filled with suspense. The plot lines are excellent, I definitely recommend this book for everyone to read

Kurzbeschreibung "A superb book." THE HOUSTON CHRONICLE When quiet, shy Amelia Jones reads a desperate message that has fallen out of a barrel organ in the antique shop she just bought, she can't forget the words, "They're going to kill me soon..." Armed only with the woman's first name and the note written years before, Amelia begins a journey into the past, a search that takes her from the protective cocoon she's wrapped herself in to a precarious world where nothing is the way it seems, where fear is second nature, and dark secrets just might uncover murder--her own....
