Wonderful story Von seelord Carl Ashmore succeeded in creating a really fascinating story. If you are ready to learn more about time-travelling Uncle Percy and his adventures with sabertooth cats, minotaurs and other exciting creatures ... just read the book. It will be a pleasure for every kid about the age of ten and more and for adults who like to remember the fairytales of their childhood.

Kurzbeschreibung From bestselling author Carl Ashmore, 'THE TIME HUNTERS' is the first chapter in the five book series for children of all ages. Becky is a typical thirteen year old girl. She likes Facebook, her friends, and plenty of sleep. So when she and her brother, Joe, are invited to stay with their 'loony' Uncle Percy at his stately home, she thinks it'll be the worst summer ever. What she doesn't realise is that Bowen Hall is also home to a baby Triceratops, two Sabre-tooth tigers and the mythic hero, Will Scarlet... 'The Time Hunters' is a thrilling adventure that takes Becky, Joe, Uncle Percy and Will on a quest through time to find the legendary Golden Fleece. Praise for The Time Hunters: 'From every angle, it's an excellent work. This series couldn't ask for a more vibrant opening chapter.' KIRKUS REVIEWS (awarded the KIRKUS STAR *) 'I really enjoyed reading THE TIME HUNTERS. You start off the action with a bang, drawing the reader in right away. Your writing is strong, and in places has a classic feel... It has terrific potential.' HARPER COLLINS ***** Carl Ashmore has written an entertaining book that children will love. READERS FAVOURITE 'This is a wonderful adventure. It has the magic of Lewis Carroll and Kenneth Grahame, the inventiveness of Roald Dahl and the writing skill of Rudyard Kipling in my opinion. It is the natural successor to Harry Potter. Brilliant!' Four other books in the Time Hunters saga are also available: 'The Time Hunters and the Box of Eternity', 'The Time Hunters and the Spear of Fate', 'The Time Hunters and the Sword of Ages' and 'The Time Hunters and the Lost City'.
