Von Charles Stross : The Traders' War: The Clan Corporate and The Merchants' War (Merchant Princes Omnibus) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Traders' War: The Clan Corporate and The Merchants' War (Merchant Princes Omnibus):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Gut zu lesen, Unterhaltsam und SpannendVon FabianGenau wie den ersten Omnibus habe ich diesen Teil sehr schnell

verschlungen. Die Welt ist weiterhin faszinierend und die Geschichten spannend ohne unübersichtlich zu werden. Ich warte gespannt auf die dritte Omnibus-Edition für den Kindle, da ich die einzelnen Bücher etwas teuer finde. 0 von 0 Kunden fanden die folgende Rezension hilfreich. stross mal etwas anders Von Gag Halfrunt wenn man die laundry files kennt, sollte man nicht denken, dass das auch von Charles Stross ist. lange nicht so "abgedreht", aber auf seine eigene Art fesselnd. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great plot/story/universe Von PeterD good story and especially in the "omnibus form" where all 3 books were together. Price was also good value for the 3 books.

Kurzbeschreibung The Traders' War by Charles Stross includes The Clan Corporate and The Merchants' War, the third and fourth instalments in The Merchant Princes series combined into one volume. The journalistic instinct runs deep - and comes with a fatality warning. Miriam was an ambitious business journalist in Boston. Until she was fired - then discovered, to her shock, that her lost family comes from an alternate reality. And although some of them are trying to kill her, she won't stop digging up secrets. Now that she knows she's inherited the family ability to walk between worlds, there's a new culture to explore. Her alternate home seems located around the Middle Ages, making her world-hopping relatives top dogs when it comes to 'importing' guns and other gadgets from modern-day America. Payment flows from their services to US drug rings - after all, world-skipping drug runners make great traffickers. In a land where women are property, she struggles to remain independent. Yet her outsider ways won't be tolerated, and a highly political arranged marriage is being brokered behind her back. If she can stay alive for long enough to protest. The Traders' War is preceded by The Bloodline Feud omnibus, and followed with the final volume, The Revolution Trade.

Pressestimmen "Stross's ability to combine interesting ideas with solid plotting is one of his great strengths", Asimov's Science Fiction, 'Stross sure ends things with a bang... satisfying and chilling', RTBookreviews.com, 'These books are immense fun' Locus
