blown away with this! It's awesome! Von Cassandra5+++++ and even more stars for Nathaniel and Abby/Abigail! The wonderful story of Nathaniel West and Abigail King continues as they have a new arrangement for their every-day-life and their Dominant/submissive-life. As their weekends are HOT and sexy and sensual and limits are pushed even further, they agree that one thing they have to work on - communication. As their first round of being together was constricted around a lot of secrets and misinformation, Nathaniel makes it a big point that they talk openly and freely about limits and likes and dislikes and what to expect over all. A visit at Nathaniel's mentor Paul and his wife Christine, who's also his submissive, opens Abby's eyes even more to the dynamics, the power, the beauty and the love between a Dom and his sub. It leads to a more intense and stronger bond between Nathaniel and Abby. It also leads to a very interesting play party that doesn't end as expected. In all this, Felicia and Jackson are planning their wedding and a lot has to be arranged. It also reveals deep feelings and the thoughts for more, for a future together. But are they ready for it? Can they go with the flow, let things take their natural way? Tara Sue Me writing is again fantastic. The story shows how real life D/s-relationship work and struggle and how beautiful they can be. It shows how much work it is and that there isn't an only way living this life! 0 von 0 Kunden fanden die folgende Rezension hilfreich. I enjoyed it. Von Sole The book was nice although it didn't keep me on edge and dying to know what happens like the two previous ones from Tara Sue.

Kurzbeschreibung For fans of E. L. James and Sylvia Day. Before there was the fan fiction that became Fifty Shades of Grey, there was The Submissive, Tara Sue Me's seductive and scandalous series that enthralled millions and inspired a genre... In the enticing continuation, the submissive and her dominant explore just how long they can make the pleasure last... It started with a hidden desire. Millionaire CEO Nathaniel West has always played by his own strict set of rules, ones he expects everyone to follow - especially the women he's dominated in his bedroom. But his newest lover is breaking down all his boundaries and rewriting his rule book. Abby King never imagined that she would capture the heart of Nathaniel West, one of New York City's most eligible bachelors - and its most desirable dominant. What began as a weekend arrangement of pleasure has become a passionate romance with a man who knows every inch of her body and her soul - yet remains an enigmatic lover. Though he is tender and caring, his painful past remains a wall between them. Abby knows the only way to truly earn his trust is to submit to him fully and let go of all of her lingering inhibitions. Because to lead Nathaniel on a path to greater intimacy, she must first let him deeper into her world than anyone has ever gone before... Before there was the fan fiction that became Fifty Shades of Grey, there was The Submissive... Indulge in the series that started it all: The Submissive, The Dominant, The Training, The Chalet, The Enticement, The Collar, The Exhibitionist and The Master. Pressestimmen A sexy and inviting kick-off to a new erotic trilogy, The Submissive should not be missed (Romance s Today) A blazing hot BDSM story between a billionaire and someone who's admired him from a far. I really enjoyed this smoking tale and recommend it to erotic romance readers... I learned a lot about BDSM via Abby and Nathaniel's relationship. I started to understand how things worked... I look forward to more books by this Tara Sue Me. The sex between Abby and Nathaniel will have readers burning up and wishing they are having the sex (Night Owl s) Unbelievably fantastic!... Nathaniel is something special, and he has that... something "more" that makes him who he is and makes me love him more than all the others. Beneath all the cold and detached surface there is a sweet and loving man, and I adored how Abby managed to crack his armour a tiny bit at a time... I can't wait to continue this beautiful story (Mind Reader) By the end of the first chapter I was hooked on the story and relationship of Abigail and Nathaniel... The book is told in first person so we only get Abby's perspective of the relationship, but it's one that I found real and compelling... This is one of those books that I will read and re-read (The Book Reading Gals) I HIGHLY recommend The Submissive by Tara Sue Me. It's so worth it. This book crackles with sexual lightning right from the beginning... The Submissive has exceeded all my expectations. It has heart and the characters are majorly flawed in a beautiful way. They aren't perfect, but they may be perfect together. Step into Tara Sue Me's world of dominance and submission. It's erotic, thrilling, and will leave you panting for more (Martini s) The sex scenes are smouldering hot... The Submissive is a must read if you loved Fifty Shades of Grey.
