Von Isabel Wolff : The Trials of Tiffany Trott before purchasing it in order to gage whether or not it would be worth my time, and all praised The Trials of Tiffany Trott:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. a hilarious, and sparkling novelVon Ein KundeWhat a fun book this is - a total scream. Tiffany just swept me along on a tide of great jokes, vivid characters and really good writing. I rather liked the way she says, 'actually I didn't say that' - because it's great to know that though she's very polite on the surface she's capable of thinking the most vicious things

underneath - very British I guess, very female, and very realistic too. Wolff's dialogue is brilliant, so much so that at times I felt that reading the book is like watching a really good movie. Such a great range of characters, and the plot is both unusual and totally unpredictable - especially the ending, which I liked and felt was somehow right. Anyone who hasn't read this book yet is in for a real treat - it's SO well written, it's clever, and above all it's hilarious. A fantastic, funny, five star read which will stay with you after you've turned the last page. 1 von 1 Kunden fanden die folgende Rezension hilfreich. a hilarious and warm-hearted read Von Ein Kunde I couldn't put this book down - in fact I read it in a day. I LOVED it and haven't laughed so much or so loudly in years. MUCH funnier than boring Bridget Jones with her boring lists of calories. Who cares? I want a great page-turning story with lots of brilliant jokes and that's exactly what you get with Tiffany. It's so witty, and it's full of wisdom too. Never judgemental either - she just shows us these guys as they are and lets us make up our own minds about them. She treats her readers like intelligent people. It's a scream from start to finish. As funny as Frasier. I loved the lesbian moms at the birthing classes and the coco-nut throwing competition at Club Med. A wildly funny, beautifully written and unusually funny book with real warmth and heart. Fantastic. 1 von 1 Kunden fanden die folgende Rezension hilfreich. a wildly funny book about the singles scene Von Ein Kunde I ADORED this book! In fact I was laughing so much I actually had to stop reading at times and put the book down. My husband thought I'd flipped and didn't get any sense out of me for 2 days. The humour is so clever, with lots of smart wordplay and great jokes - a real wit-fest. And much MUCH funnier than Bridget Jones though I enjoyed that too. And though Tiffany meets some awful guys, her optimism and tenacity shine through so it's not ever depressing. I loved the lesbian mothers at the birthing class and the highschool reunion and the lovely but flawed 'hero, Seriously Successful. An absolutely brilliant read. Very funny, very moving, very realistic.

Kurzbeschreibung An engaging first novel by the bestselling author of THE VERY PICTURE OF YOU and A VINTAGE AFFAIR. Tiffany Trott is attractive, eligible and sparky so why is she (as her bossy best friend puts it) a complete failure with men? Stung into indignant action, she decides she'll hunt down Mr Right herself or even Mr All Right, who's got to be better than the Mr Catastrophics who litter her recent past. So begins Tiffany's eventful odyssey through the love jungle, from blindingly bland dates to introduction agencies, small ads and Club Med. But as she ponders her puzzling lack of a life partner, Tiffany watches her friends face problems of their own and begins to wonder whether marriage and motherhood is quite what she wants after all. Pressestimmen 'I absolutely, genuinely loved The Trials of Tiffany Trott. It's quite a while since I enjoyed a book this much. To be frank I wish I'd written it myself. It's funny, charming, upbeat and unputdownable. Acutely observed and so well written. I was completely diverted and entertained. It deserves to do fantastically well.' MARIAN KEYES Kurzbeschreibung An engaging first novel by the bestselling author of THE VERY PICTURE OF YOU and A VINTAGE AFFAIR.
