Love Love Love itVon MichaelaHDas dritte Buch der Afterlife Saga war wie vorher, lang und gttlich. Ich habe das Buch bis 2 Uhr nachts gelesen und musste mich berzeugen schlafen zu gehen. Wie kann das sein? Gleich frh weiter gelesen...Ich kann jedem die ganze Reihe empfehlen. Da die ganze Saga mehrere Bcher beinhaltet, freue ich mich

You soon learn to love Lucius as he is a great character to the series. Dont want to spoiler anything so just read it!

KurzbeschreibungKeira soon finds herself becoming a pawn in a game she could never hope to win and now the King on the board is a Vampire on a mission. With the only man to stop him miles away from the mountain prison in which she is kept, she must now choose which path to take in order to survive. With enemies at all sides closing in quick, she must tread carefully or she might find the only man to save her isnt the White Knight she loves but the Dark King she loathes. But time with the Vampire King is dangerous and Keira soon learns that it is more than just the power of her mind she needs to keep locked but also the power of her heartAnd Lucius might just hold the key to both.Warning : This book not only has sexual content but also a bad ass Vamp King that's into a bit more than just mortal biting!KurzbeschreibungKeira soon finds herself becoming a pawn in a game she could never hope to win and now the King on the board is a Vampire on a mission. What first became a quest to overcome the boundaries set against her in the form of dyslexia has turned into a life's dream. She first started writing in the form of poetry and soon found a taste for horror and romance. Afterlife is her first book in the series of seven, with the story of Keira and Draven becoming ever more complicated in a world that sets them miles apart. When not writing, Stephanie enjoys spending time with her very supportive family and friends, playing with her dopey deer hound Milo, who has a fondness for eating tennis balls, chatting for hours with her biggest fan, her sister Cathy who is utterly obsessed with one gorgeous Dominic Draven. And of course spending as much time with her wonderful husband Rob, who is her real life hero, one that swaps his shining armour for jeans and comic book t-shirts. Also this year starts a new adventure for her in the form of motherhood as they both expect the first edition to their family in August 2012. Afterlife Saga is going to be 7 books in total and at the moment is working on book 5.
