KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Auf und Ab der GefhleVon Kibby HuntBei dieser Saga bin ich hin-und her gerissen. Die Lnge gefällt mir, weil ich sehr gerne

lange Geschichten lese, wo man sich richtig drin verlieren kann. In dieser Beziehung ist man wirklich gut bedient. Die Handlung ist glaubwürdig, romantisch aber vielleicht etwas zu erotisch (nicht dass mich das stört) aber es wäre nicht unbedingt notwendig. In jedem Fall sollte man keine zu hohen Ansprüche haben, sondern die Bücher als reine Unterhaltung sehen. Sicher besser als die Bücher von Linda Berdoll und weniger gut als die Altman oder Jefferson Saga.

Kurzbeschreibung Is it even possible to have a perfect romance? Sensual, happy, and steeped in all the luxuries of the lavish Regency period, Darcy and Elizabeth must still face the many challenges that every married couple confronts after the honeymoon is over. Just as the most intense issues of their marriage begin to arise, George Wickham returns to Hertfordshire bent on creating trouble. Knowing Darcy as long as he has, Wickham knows just how to strike at his vulnerabilities. But Wickham is only a pawn for someone even more unscrupulous than he is-and much more powerful. When everything Darcy cherishes most is thrown into deadly danger, and knowing that Wickham has nothing left to lose, Darcy must confront his enemy and his own demons at the same time... Praise for Sharon Lathan's Darcy Saga. "Ms. Lathan's writing is lyrical and perfect for this genre...Jane Austen would be proud." -The Good, The Bad and The Unread "Engaging, fast-paced, and searingly romantic." -Austenprose "A look inside the marriage of Darcy and Lizzy-the hot, steamy love affair between two very passionate people." -A Bibliophile's Bookshelf "Exquisitely told with a brilliant flourish of language and so rich in detail." -Rundpinne.com

Pressestimmen "This book should come with a warning stating that once you start reading you will not want to put it down until you have read the last page." - Royal "I have been a long time fan of Sharon Lathan's. Her version of what happens after Pride and Prejudice is one of my favourites and it is safe to say that I use the beautiful imagery that she has built up in my mind whenever I read any P P variation. The passion between Elizabeth and Darcy has kept me captivated over 5 books and I can't imagine ever tiring of it. They are books I will read again and again." - Queen of Happy Endings "It's a book that I found almost impossible to put down until I finished it and then immediately read it again. I laughed. I cried. And when I closed the covers after the first reading - I felt drained and satisfied that things were now as they should be." - A Curious Statistical Anomaly "I highly recommend it to Austen fans, regency romance connoisseurs and all around readers who believe in the happily ever after of well written escapist literature." - Suite 101 Romance Fiction "Written in her flowing sensual style and with a wealth of detailed descriptions, Ms. Lathan again transports us to the Regency as she immerses us into the joys and fears of her characters" - Historical Hilarity "Another successful addition to her series for Ms. Lathan. She stays true to her characters no matter the dilemma, in happiness as well as sadness and tragedy. I don't know if more books are planned, but I look forward to any that are. I'm always very pleasantly surprised and entertained and especially appreciate the emotion with which Ms. Lathan writes. It's been an honor to read these stories that come from her heart." - The Good, The Bad and the Unread "It's easy to see why Lathan's Darcy Saga is so successful. Just as romantic and engaging as ever, this is one sequel you won't want to miss." - Austenprose "The writing is very easy to follow and flows smoothly. I liked the dialogue as it was filled with warmth and wit. The solid foundation of Jane Austen's beloved masterpiece are much in evidence, but Sharon Lathan has added her own touches that allow a completely new audience to fall in love with the timeless characters." - One Book Shy of a Full Shelf
