Von Linda Kage : The Trouble with Tomboys before purchasing it in order to gage whether or not it would be worth my time, and all praised The Trouble with Tomboys:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich.
Tomboytastic!Von _yay_ @ Book that ThingTomboy B.J. Gilmore's greatest love is flying. She's a pilot and can swear like a sailor.Everyone in Tommy Creek knows that Grady Rawlings, the heir to an oil dynasty, lost his wife and son a few years ago. She died giving birth to their baby. Neither survived. Grady doesn't deal well with people pitying him and has become somewhat of a recluse. When he hires Gilmore's plane service the last thing he expected is to be

seduced by his gum-chewing, aviator-wearing pilot. The one night they spend together has dire consequences. In many ways this book was very old-fashioned. If it wasn't for the setting in a small town in Texas, it would've been weird. As it was, Kage's writing perfectly captured the feel of a no-nonsense Texas lifestyle. I loved B.J.'s introduction. She is one though cookie and doesn't take sh** from anyone - especially not from her three brothers. I found it refreshing that, even though B.J. knew about Grady's tragic loss, she saw him as a man. A man with an overwhelming presence and killer blue eyes. It wasn't about love at first, hell, not even about friendship with benefits. B.J. saw something she wanted and took it. I respected that - even more though because she wasn't fooling herself into believing their night together was exactly what it should've been. It wasn't. This made the journey for them as individuals and as soon to be parents of a child so much more interesting. After all, B.J. "...knew squat about ankle-biters" and love. I was glad she didn't fall in love with Grady too soon. It wouldn't have felt right. Getting pregnant shouldn't have happened, but it did. I saw B.J. as Grady's knight in shining armor [in disguise]. He needed for someone to not pussyfoot around him. Basically B.J. just steamrolled over him and I had a blast witnessing the spectacle. Poor Grady didn't know what hit him half the time. In the progress they made a ton of new memories. He had to stop living in the past. The fact that she had a crush on him back in the day made falling in love despite their unorthodox start possible. They weren't just strangers meeting for the first time. It impressed me to no end that B.J. had the strength to acknowledge Amy and Grady were "two halves of a whole". However, it wasn't just that Grady benefited from her. As a tomboy she wasn't used to showing weakness or kindness. B.J. learned to mimick Grady and found a friend in his twin sister Jo Ellen. I was happy for her. When B.J. and Grady finally admitted their love for one another, I truly believed every word. Kudos to Kage for character-development. What I didn't like was what Grady said at his wife's grave. It was a pretty cringe-worthy confession. Then again, I might have liked him beating around the bush even less. At first Amy (his dead wife) was made out to be this perfect person. The problems they had faced could've been mentioned sooner. Grady's reaction to the baby-news was very, very old-fashioned and I had to remind myself that in a small town in Texas things were done this way. B.J. confusing her pregnancy with something else was cute, but not very plausible. Also, Grady should've instantly known what reason B.J. had to contact him. These flaws might be grounds for rating this book only 4.5 stars, but overall, I enjoyed this read too much to not give it more. 5 stars to *The Trouble With Tomboys* by Linda Kage. Beware of Spoilers! A few of my favorite quotes for those of you who are interested: "I'll take a glass of water. B.J. rolled her eyes. Get him a Bud...Light." "You just need to find some anonymous woman and get yourself laid, man." "It's about time someone threw an ice cold glass of reality right in your face." "What? Are you on drugs? What the hell makes you think I'm in any way motherly?"

Kurzbeschreibung The Tomboy Pilot B.J. Gilmore is Tommy Creek, Texas's tough tomboy who loves to fly planes and gamble and doesn't give a whip what anyone thinks or says about her until Grady Rawlings steps into her life. Plus the widower Heir to an oil dynasty, Grady has inner demons to battle. Ever since his wife and unborn child died two and half years ago, he's developed a deep-seated hatred for sympathy and can't handle anyone feeling sorry for him or treating him like some pitiful widower. Equals trouble in Texas Grady hires B.J.'s plane service to fly him to Houston for an overnight business trip. While there, she coaxes him into accompanying her to a late dinner, where she decides it's time for him to move on with his life. A month later, she turns up pregnant with his baby, and neither of them is prepared for the chaos that follows. This is a new release of a previously published edition.
