Von Thomas Hardy : The Trumpet-Major (Classic Illustrated Edition) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Trumpet-Major (Classic Illustrated Edition) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Why Hardy?Von Ein KundeShe was walking through the library carrying the university's entire Hardy collection. I already had a nasty schoolboy crush on her, but after that day I was jello. And perhaps it began on the afternoon she lectured

on Thom. Hardy, describing him as a poet who sacrificed his art to survive as a novelist. Yet, his novels were not pot-boilers, and Hardy eventually returned to his true muse. I shouldn't write this - let Linda explain it to you.0 von 0 Kunden fanden die folgende Rezension hilfreich. Clever, yet an altogether mediocre story.Von Ein KundeThis novel tells of the many turns of Anne Garland's heart takes as she decides upon one of three possible suitors. Each turn her heart takes affects the other suitors in ways which are humorous/clever, but the underlying theme is the pathos you feel for the unfavored ones, primarily John Loveday and his ultimate resolution. Overall not bad.0 von 2 Kunden fanden die folgende Rezension hilfreich. Bitter sweet storyVon Ein KundeThis is the bitter sweet story of Anne Garland and her three suitors. Is she going to choose the boisterous Festus Derriman, the honourable John Loveday or the light-headed Robert Loveday? As you read on, you will discover that the book is not so much about Anne but about John, his thoughts and his feelings, and about the impact of the Napoleonic wars on England. Interesting piece of literature not only for those interested in history.

Kurzbeschreibung* Beautifully illustrated with atmospheric paintings by renowned artists, *The Trumpet-Major* is a fascinating historical novel that tells the absorbing story of a young woman being pursued by three ardent suitors during the era of the Napoleonic Wars.* Just as accessible and enjoyable for today's readers as it would have been when first published over a century ago, the novel is one of the great works of English literature and continues to be widely read throughout the world.* This meticulous digital edition from Heritage Illustrated Publishing is a faithful reproduction of the original text and is enhanced with images of classic works of art carefully selected by our team of professional editors.Kurzbeschreibung* Beautifully illustrated with atmospheric paintings by renowned artists, *The Trumpet-Major* is a fascinating historical novel that tells the absorbing story of a young woman being pursued by three ardent suitors during the era of the Napoleonic Wars.* Just as accessible and enjoyable for today's readers as it would have been when first published over a century ago, the novel is one of the great works of English literature and continues to be widely read throughout the world.* This meticulous digital edition from Heritage Illustrated Publishing is a faithful reproduction of the original text and is enhanced with images of classic works of art carefully selected by our team of professional editors.Synopsis One of a selection of Thomas Hardy's best-known novels to be published with introductions by critics, notes, a bibliography, a map of Hardy's Wessex, a chronology of his life and the New Wessex Edition text.
