..extremely erotic moving exciting 2nd book!!Von Bianca @BJsBBBook #1 ended in a tiiiiiny little Ciffhanger
Annie's husband Hoyt finally found her - and ambushed her in the trailer, after she just got back from Dylan's place.

After she told him that she'll be back one day - once she's divorced. But now here's Hoyt, and he wants his wife back! He wants her back home on the farm. But Annie will not go back to him, not ever. Not when she finally knows how amazing things between a man and a woman can be. She fights, but Hoyt's strong and her neighbor Ben, Dylan's father, is too weak to help much...but he might've called for help...And they all might save Annie from her husband...but that doesn't mean that it's all Happy Ever after from now on :/What will happen to Annie Dylan? Will there be a HEA? Will everybody die at the end? I'm not telling you that of course _____ Book #1 ended waaay too Cliffy-ish for me I HAD to know if and how Annie will get rid of Hoyt! And now I do - and phew... what a mess... Everything could be ok now - Happy End and everyone's happy... But nope... Annie is not really sure what to do, to think.... She feels guilty and scared..... But Dylan doesn't leave her alone. He doesn't yet know about his feelings - he thinks he's broken, that he can't love someone. Plus - things with his Dad and his gang-member-brother Max and the DEA are too dangerous. He can't leave Annie alone in the Trailer park. LOTS of very sexy scenes and very moving scenes and suspensy scenes!!! I loved Dylan Annie's story. I cried a bit here and there and now I'm sad it's over. Was there something I didn't like? Hm, maybe the way Molly has Dylan tell his story in the first person and Annie's is third person.... why? Hm. I like that they both get to tell their parts, but it would've been better if both were in 1st person. The Truth About Him was an extremely erotic and moving exciting suspensy romance. About the past the future, about fear and hope, about family, love hate and about verrrrry sexy moments in a trailerpark!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Bedrock ~ the hard reality of me you us. Von Jean Smith Everything I left Unsaid left us with Annie deciding she wanted to be with Dylan as soon as she got the pesky business of her marriage dealt with. Then she came home only to be accosted by her husband. The Truth About Him picks up where Everything I Left Unsaid left off. Her husband Hoyt is a real violent piece of work and hes determined that shell be going home with him if he has to drag her kicking and screaming and over whatever dead bodies he has to leave along the way. When Dylan gets the call about whats going down you can guess at what ensues. Can you say beat down? Lets just say things get rather violent and Hoyt is taken care of. Now Annie is free of her ex but the danger is still lurking around every corner in the form of Dylans family connections. And while you might think she should be running for the hills nothing could be further from the truth. Instead, were dealing with Dylans feelings of inadequacy Are you okay? she asked. Still she didnt touch me, and I wanted her to as badly as I couldnt stand it if she did. Fine. A lie so worthless there was hardly any point in it. She could see how not fine I was. How broken and shaken and f****d up I was. I was not the right man for her, but I wanted to be. And I was humbled by her choice. Luckily Annies just a bit intuitive when it comes to Dylans deflections. Somehow she got the sense that he was hitting bedrock. Not rock bottom, but the hard reality of who he was. Shed done it, or was in the process of doing it. And maybe that was the only way they stood a chance. If they burrowed down through the lies they told themselves, through the doubts and the fears, through the remains of the life theyd been living before if they got down to the bedrock of who they really weremaybe they stood a chance. Everything else it was a lie. Maybe not one that they said out loud. But one that they lived. Bedrock is a tough place to reach while life is exploding around you. Coming to terms with your past, accepting who you and others in your life are today, letting go, learning to forgive others as well as yourself, giving into love and welcoming tomorrow with open arms all of it takes just a bit of courage. Sometimes it takes just a bit of selfishness too. I know its wrong. And its selfish and I dont have any right to it, I dont deserve it but, Im glad youre here. The Truth About Him was the perfect end to Annie and Dylans story. Ms. OKeefe delves deep into the psyche of her characters. I dare you not to fall in love with them. Im sure you wont mind the heat and chemistry that fairly sizzles off the page on the wild ride that is The Truth About Him. *****Reviewed for Xtreme-Delusions*****

Kurzbeschreibung For fans of Christina Lauren and Jodi Ellen Malpas comes the next novel in M. OKeefes breathtakingly sexy series about a woman called into a journey of the heart, body, and soul. We played our roles, told each other lies. But now Dylan is no longer just a mysterious deep voice on the other end of the line. Were face-to-face and our relationship is very, very real. We still have secrets but so much is crystal clear: The thrilling danger. The raw, naked desire. The need to keep feeling the way he makes me feel. Forever. Dylan is putting up walls, trying to keep me safe, but he cant shut me out. He has seen my darkness and rescued me. Now its my turn, if only he will let me. Praise for The Truth About Him M. OKeefe blew me away with The Truth About Him, the conclusion to the dark, emotional, and dangerously sexy story of Annie and Dylan that began with the brilliant Everything I Left Unsaid. Dylan and Annie painfully ripped my heart out and then put it back together again. Now excuse me, I have a book to reread.
