KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Quick and fun readVon JulesFirst, I wanna give you all a bear - hug! Yeah, I know, joke's on me since this is a bear-shifter-series.I have been waiting to read one for years... It's kinda hard to find some that seem good and in the end turn out to be good... But boy, I can tell you one thing about Lorcan - It was insta-Love!!Okay, concerning book one, I have a lot to say... or maybe not that much besides I am so freakin' in love with Dimitri! I love the whole bear-shifter idea and OMG, how cute is the forever one mate idea?I admit it. I am a sucker for insta-everythings. What I mean is I don't mind at all how 'sudden' (or from Lorcan's perspective not so sudden) the things went. And I totally loved the twist with the werewolf that's changing sides.If I could, I'd pick my own bear. How can you want to refuse that? Who DOESN'T want to be a mama bear adored by her family?If I'd have my own bear, I'd hold onto him and never let go again!

Kurzbeschreibung26-year-old Presley Goult's life is anything but ordinary. Her mother abandoned her as a toddler after her fathers death, leaving her to be raised by the only family she has left her uncle Arnold. After years of being away, she returns heartbroken and devastated knowing this is the last place she wants to be. Unbeknownst to her, Kadenburg is not your ordinary town. There are secrets that have been kept from her for her own good. Will she find out the truth of who she is, and the part she will play in the war that is about to erupt before it is too late? 28-year-old Lorcan Bamey was Presley's best friend growing up. He has always been there for her when she needed a friend and someone to lean on. Although he has always wanted more from her, rules are rules and he is forbidden to express his interest in having a relationship with her. You see, his upbringing was very different from most of the boys in town: the female must make the choice. It is part of Urseths law laws that Presley will soon discover when her uncle finally decides to be honest about their ancestry. Will she accept the truth about Kadenburg, and herself, in time to save her people? -----Approximately 66,234 words.Other books in The Kadenburg Shifters Series:Return to Kadenburg (Book #2)The Siege of Kadenburg (Book #3)Kadenburg Revealed (Book #4)Kurzbeschreibung26-year-old Presley Goult's life is anything but ordinary.
