**Von Susan Adriani : The Truth about Mr. Darcy** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Truth about Mr. Darcy:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. The truth about Mr. Darcy...Von GT25was suprisingly good. It is even one of my favourites now despite having some weaknesses.Reader be warned that there are some descriptive scenes so be sure if you want to read about Lizzy and Darcy having regularly sex. I don't mind them as they are consenting adults but a few scenes were just not believable. Why? Well, Darcy is a very passionate man and the author writes him just like that but sometimes he just can't control himself long enough to be behind closed doors and that's what it makes it unbelievable. I love how mad Darcy is for his Elizabeth but I can't see him doing something inappropriate in public. That's why I couldn't give this book five stars.Other then that it's really good and intense. The love and bond between Darcy and Lizzy is beautiful. Finally a

book who has real romance besides the sex scenes! So if you don't mind inappropriate behaviour in the public or sex before marriage this could also be one of your favourites. There are many new happenings, plot developments which are pretty interesting and even Lydia grows up in a painful but very believable way. Not for kiddies but definitely recommendable for adults.

Kurzbeschreibung A sexy, compelling Pride Prejudice "what if"-perfect for fans of Death Comes to Pemberley. The truth always has consequences.....Mr. Darcy has a dilemma. Should he tell the truth about his old nemesis George Wickham in order to protect the good citizens of Meryton from Wickham's lies and deceptions? Doing so will force Darcy to reveal family secrets that he'd prefer never come to light. The alternative is keeping the man's criminal nature to himself and hoping he leaves the area before doing significant harm. But as Wickham's attentions to Elizabeth increase, Darcy knows if he's to win the one woman he's set his heart on, he's going to have to make one of the most difficult decisions of his life. And what he ultimately does sets in motion a shocking train of events neither he nor Elizabeth could possibly have predicted. Pressestimmen.
