KurzbeschreibungThe Enemy of My Enemy . . .Of the once innumerable battle clans of the Posleen only a handful

survive. And that on the sufferance of a group of despised Indowy and Himmit. Plucked from the maelstrom on Earth they are cast out into the eternal blackness of the stars with only a slightly insane Indowy and a computer virus to guide them. What follows is a trail of tears and remembrance as the Posleen retrace the footsteps of their ancestors in a search for their homeworld. A search to determine if the Posleen possess the one thing no Human would give them credit for: A soul. Returned to their beginnings, the question remains: Is there a new path for the Tular Posleen? At the publisher's request, this title is sold without DRM (Digital Rights Management). John Ringo is author of New York Times best-selling Posleen War series which so far includes *A Hymn Before Battle*, *Gust Front*, *When the Devil Dances*, and *Hell's Faire*, as well as the connected novels *Cally's War*, *Sister Time* and *Honor of the Clan* (with Julie Cochrane), *The Hero* (with Michael Z Williamson), and *Watch on the Rhine* and *Yellow Eyes* (with Tom Kratman), and is the hottest new science fiction writer since David Weber. A veteran of the 82nd Airborne, Ringo brings first-hand knowledge of military operations to his novels of high-tech future war. Tom Kratman, in 1974 at age seventeen, became a political refugee and defector from the PRM (People's Republic of Massachusetts) by virtue of joining the Regular Army. He stayed a Regular Army infantryman most of his adult life, returning to Massachusetts as an unofficial dissident while attending Boston College after his first hitch. Tom is currently an attorney practicing in southwest Virginia. Baen published his first novel, *A State of Disobedience* and his previous collaborations with John Ringo, *Watch on the Rhine* and *Yellow Eyes*. *Pressestimmen* "As its Homeric-sounding name suggests, the latest Posleen War novel (after 2007's "Yellow Eyes") tells of a defeated people fleeing annihilation in search of a new home... They embark upon a search for the origin of their species and discover just how cruelly their people were treated long ago when their ancestors dared to question the godlike Aldenata... Ringo and Kratman turn this space adventure into an intriguing discussion of the power of faith apart from the existence of God." -- "Publishers Weekly" (Oct.) *Kurzbeschreibung* *The Enemy of My Enemy* . . .
