Von Anne Perry : The Twisted Root (William Monk Mystery, Book 10): An elusive killer stalks the pages of this thrilling mystery (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Twisted Root (William Monk Mystery, Book 10): An elusive killer stalks the pages of this

thrilling mystery (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. This is much too sordid, even for Anne Perry. Von booklover10Having read many of Anne Perry's books, especially in the Monk series, I am used to her morbid outlook on life. However, her obsession with extremely dark and perverted people is getting to be a little much. To Perry's credit, she handles William's and Hester's relationship very nicely in "The Twisted Root". She also effectively describes Rathbone's discomfiture at having let Hester "slip through his fingers". However, the mystery itself is ridiculous. It is filled with absurd coincidences and a truly sick and cynical take on human nature. Perry should try to write some mysteries that are a little less sensational. If she feels that it necessary to be outrageous to sell books, then she has a very low view of the public, indeed.0 von 0 Kunden fanden die folgende Rezension hilfreich. Entertaining Twist to the EndVon Siren SongI'm an avid fan of Anne Perry and even if I can't get a complete selection of her books in Manila, there's always ! This must be one of her best books yet. In her typically rich and descriptive style, one is transported into the Victorian period in the middle of a mystery. This time around Willaim Monk and Hester Latterly and married and there is new depth in the characters with the change in their relationship. Right from the top, the sudden disappearance of the betrothed, the frantic fiance, the seemingly perfect relationship between the two gets the reader completely involved in this complex mystery. The end provides a completely satifying twist.0 von 0 Kunden fanden die folgende Rezension hilfreich. Monk and Wife Struggle With Wedded Bliss and Solve a MysteryVon Mary J ScottI have been a fan of Anne Perry's detectives [and formerly one wife -- now two wives] for many years. The plot of this novel is intriguing and complex as is customary in Perry's works, and, in addition, we get to see the jockeying for position in their newly-combined home between the amnesiac investigator William Monk and the opinionated nurse Hester Latterly Monk. These scenes are fascinating and show that Perry not only knows her Victorians but is also knowledgeable about the human heart, regardless of time. All in all, this was an excellent read. From the moment a young woman mysteriously disappears from a croquet game at one of Britian's grand country estates in the company of one of the family's male servants, there is seldom a dull moment.I thoroughly enjoyed the book. May the author provide us with many more.

Kurzbeschreibung A missing bride and a murdered coachman - what links the two? With a plot twist around every corner, Anne Perry's *The Twisted Root* is a thrilling journey into the dark underbelly of Victorian society, and features her ever-popular detective William Monk. Perfect for fans of C. J. Sansom and Arthur Conan Doyle.'This is a story with twists and turns aplenty. The ending is the biggest twist of all' - *St Louis Post-Dispatch* For Miriam Gardiner, at her engagement party at the London home of her fianc, Lucius Stourbridge, it should have been one of the happiest days of her life. But, leaving suddenly, Miriam disappears without a trace. Reluctant to cause a scandal, Lucius seeks out William Monk and tells him that the only lead concerns their coachman, Treadwell, who is also missing. Monk, not usually a sentimental man, is moved by Lucius's distress, and assumes that his recent marriage to Hester Latterly is to blame. When Treadwell's murdered body is found, Monk becomes convinced that his death is linked to a terrible secret in Miriam's past that someone, desperate keep it hidden, has killed for, and may well do so again, unless he can stop them. What readers are saying about *The Twisted Root*: 'A riveting mystery wrapped up in the dark and seamy side of Victorian London'Anne Perry is the best Victorian crime [writer] I have ever read'I feel she must have hitched a ride in Dr Who's Tardis and has [brought] back the very Victorian sensibility with which she furnishes her books. Amazing'.deWilliam Monk, the unquestionably handsome, somewhat vain, but genuinely tender-hearted "agent of enquiry" is back on the streets of Victorian London, investigating his 10th case, a missing woman. Miriam Gardiner was due to be betrothed to a much younger man, a well-to-do gentleman named Lucius Stourbridge. But during a family croquet party, the bride-to-be vanished, apparently fleeing in a coach driven by a family servant named Treadwell. Perhaps just a simple case of pre- wedding jitters, Monk would normally be reluctant to take on such a seemingly dull case but his own recent marriage to the headstrong nurse Hester Latterly gives Monk a new- found empathy for the heartbroken Lucius. Of course as is tradition in Perry's historical mysteries, all is not quite as it seems. Treadwell is found murdered and the missing Miriam becomes the number one suspect. Monk is convinced that she "could and would do no intentional evil", even as Hester connects her to another illicit crime. Eventually unearthed by London's finest, Miriam is arrested and charged with murder. It's up to barrister Oliver Rathbone to absolve her in court (with a little help from his good friends William and Hester Monk). With a plot twist around every corner, Anne Perry knows just how to keep us in suspense, right up to the exceedingly dramatic finale. *The Twisted Root* is a luminous whodunit from the queen of the Victorian mystery. --Naomi Gesigner.co.ukWilliam Monk, the unquestionably handsome, somewhat vain, but genuinely tender-hearted "agent of enquiry" is back on the streets of Victorian London, investigating his 10th case, a missing woman.
