Von Liz Fielding : The Tycoon's Takeover (Mills Boon Vintage Cherish) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Tycoon's Takeover (Mills Boon Vintage Cherish):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Well writtenVon A.Fun to read! I really enjoyed all three books (Bridegroom Series). Funny stories, a bit shallow

characters, but well written! Recommended for holidays or "just in between" ...

Kurzbeschreibung Taking on the boss India Claibourne is bright, beautiful and the boss of an exclusive London department store. Jordan Farraday is a devastatingly handsome tycoon and his number one aim is to take over that store! Jordan may make her heart pound with excitement, but no way is India going to let that happen. The battle of wills commences the final showdown that will dig up past secrets and shake up everything that is dear to India and Jordan. There was only supposed to be one winner but perhaps this time there will be two.
