**Von Sujata Massey : The Typhoon Lover (Rei Shimura Mysteries)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Typhoon Lover (Rei Shimura Mysteries):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Rei Shimura at her bestVon Sabine BatraThis novel - the eighth of the Rei-Shimura series - is taking place in Japan again.After a start which is a bit slow - Reis 30th birthday - this is becoming the most gripping adventure in the series.Rei is going to meet her ex-lover Takeo again - then a typhoon is starting a series of dramatic events.With her experience in dealing with antiques, this time Rei has an assignment to trace an old Middle-Eastern pitcher.The

atmosphere in the storm is described in a great way. The characters known from the previous books are described in Sujata Maseys usual sweet and humourous ways - Reis Japanese relatives, especially funny: Reis friend Richard... Its a typical Rei Shimura, and with all the humour still more serious and touching than the first volumes. Its a novel of suspense with a great heroine, leading a very interesting life between the Japanese and the Western culture, while the gaps between these cultures are described in a realistic way. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Guter Japan-Agentenkrimi Von Duroc Beleuchtet die kulturellen Eigenheiten im Land der aufgehenden Sonne aus der Sicht einer amerikanisch-japanischen Frau - geschrieben von einer indisch-stmmigen Schriftstellerin.

Kurzbeschreibung A young woman with a foothold in two cultures, Rei Shimura has gone wherever fortune and her unruly passions have led her throughout her chaotic twenties. Now, after the streamers for her thirtieth birthday celebration have been taken down, the Japanese-American antiques dealer and part-time sleuth finds herself with an assignment to find and authenticate an ancient Middle Eastern pitcher that disappeared from Iraq's national museum. The piece is believed to be in the hands of a wealthy Japanese collector, whose passion for beauty extends to Rei herself. But when a devastating typhoon hits Tokyo, Rei is trapped with the object of her investigation and with much much more than the fate of an ancient pitcher at risk. Pressestimmen A sometimes tense but always gripping story. (Mysterious Women) Sujata Maseys latest whodunit has it all--great plot, exotic settings, and a mature protagonist. (India Abroad magazine) Most enjoyable. (Baltimore Sun) Tidy, swift entertainment.... [Rei] stands out as one of the most appealing characters in an ongoing series. (Richmond Times-Dispatch) Kurzbeschreibung A young woman with a foothold in two cultures, Rei Shimura has gone wherever fortune and her unruly passions have led her throughout her chaotic twenties. Now, after the streamers for her thirtieth birthday celebration have been taken down, the Japanese-American antiques dealer and part-time sleuth finds herself with an assignment to find and authenticate an ancient Middle Eastern pitcher that disappeared from Iraq's national museum.
