Fortsetzung, zieht sich etwas hin Von Undrael Die Fortsetzung von King's Blood schleppt sich etwas (aber nur etwas), sprachlich und lyrisch hlt sie das Niveau der Serie. Wer A Feast for Crows von G.R.R.M. kennt, wei ungefhr, was ich meine. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Einer der besten Autoren Von furinkazan Auch der dritte Band der Serie lsst nichts zu wnschen brig. Spannend und nicht zu weitschweifig, glaubwrdige Charaktere und einfallsreiche Story.

Kurzbeschreibung The great war cannot be stopped. The tyrant Geder Palliako begins a conquest aimed at bringing peace to the world, though his resources are stretched too thin. When things go poorly, he finds a convenient target among the thirteen races and sparks a genocide. Clara Kalliam, freed by having fallen from grace, remakes herself as a 'loyal traitor' and starts building an underground resistance movement that seeks to undermine Geder through those closest to him. Cithrin bel Sarcour is apprenticing in a city that's taken over by Antea, and uses her status as Geder's one-time lover to cover up an underground railroad smuggling refugees to safety. And Marcus Wester and Master Kit race against time and Geder Palliako's men in an attempt to awaken a force that could change the fate of the world.
