**Von Douglas Adams : The Ultimate Hitchhiker's Guide to the Galaxy: Five Novels in One Outrageous Volume** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ultimate Hitchhiker's Guide to the Galaxy: Five Novels in One Outrageous Volume:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Bibel im Bibel-OutfitVon Schnucki- puhAussen : BibelInnen: Besser als BibelNein, ganz im ernst, es ist das beste Buch das ich

je gelesen habe, meine Katzen heissen Zaphod, Trillian und Marvin. Die Aufmachung des Buchs ist der Hammer! Zugegeben musste ich, obwohl ich die deutsche Fassung mehrmals gelesen habe, bei manchen Wörtern nachschlagen, das Vögonische Gedicht ging im original ziemlich an mir vorbei. Trotzdem würde ich jederzeit mehrere Loblieder anstimmen um Inhalt und Gesamtaufmachung in den Himmel zu heben. Kauft dieses Buch! Diese ist die schönste und wertigste Ausgabe. Trotzdem ist der Inhalt das Beste daran. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Schöne Zusammenfassung aller Teile Von Sandro L. Das Buch ist praktisch, da man alle Teile in einem Buch hat. Gerade preislich ist dies die beste Lösung, wenn man alle Teile lesen möchte. Dadurch ist das Buch natürlich schon ziemlich gewaltig (Größe und Gewicht). Um es in der Hand zu halten ist es auf Dauer zu unhandlich. Aber wenn man es beim Lesen auf einem Tisch oder seinem Schoß ablegt, geht es. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sad but entertaining Von Alice The only reason why this book will make you smile is because Douglas Adams wrote it - yes, the same Douglas Adams who wrote The Hitchhiker's Guide to the Galaxy. Other than that it's a unique compilation of the authors' search for the animals that are closest to extinction, unsure whether they will still find even one of them alive. Spoiler: They do find many. There is a follow-up series by the BBC (available on Youtube) by Stephen Fry and Mark Carwardine which I also highly recommend.

Kurzbeschreibung In one complete volume, here are the five classic novels from Douglas Adams's beloved Hitchhiker series. The Hitchhiker's Guide to the Galaxy Seconds before the Earth is demolished for a galactic freeway, Arthur Dent is saved by Ford Prefect, a researcher for the revised Guide. Together they stick out their thumbs to the stars and begin a wild journey through time and space. The Restaurant at the End of the Universe The moment before annihilation at the hands of warmongers is a curious time to crave tea. It could only happen to the cosmically displaced Arthur Dent and his comrades as they hurtle across the galaxy in a desperate search for a place to eat. Life, the Universe and Everything The unhappy inhabitants of planet Krikkit are sick of looking at the night sky so they plan to destroy it. The universe, that is. Now only five individuals can avert Armageddon: mild-mannered Arthur Dent and his stalwart crew. So Long, and Thanks for All the Fish Back on Earth, Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination. But a gift-wrapped fishbowl with a cryptic inscription thrusts him back to reality. So to speak. Mostly Harmless Just when Arthur Dent makes the terrible mistake of starting to enjoy life, all hell breaks loose. Can he save the Earth from total obliteration? Can he save the Guide from a hostile alien takeover? Can he save his daughter from herself? Includes the bonus story Young Zaphod Plays It Safe With droll wit, a keen eye for detail and heavy doses of insight . . . Adams makes us laugh until we cry. San Diego Union-Tribune Lively, sharply satirical, brilliantly written . . . ranks with the best set pieces in Mark Twain. The Atlantic.de It's safe to say that The Hitchhiker's Guide to the Galaxy is one of the funniest science fiction novels ever written. Adams spoofs many core science fiction tropes: space travel, aliens, interstellar war--stripping away all sense of wonder and repainting them as commonplace, even silly. This omnibus edition begins with The Hitchhiker's Guide to the Galaxy, in which Arthur Dent is introduced to the galaxy at large when he is rescued by an alien friend seconds before Earth's destruction. Then in The Restaurant at the End of the Universe, Arthur and his new friends travel to the end of time and discover the true reason for Earth's existence. In Life, the Universe, and Everything, the gang goes on a mission to save the entire universe. So Long, and Thanks for All the Fish recounts how Arthur finds true love and "God's Final Message to His Creation." Finally, Mostly Harmless is the story of Arthur's continuing search for home, in which he instead encounters his estranged daughter, who is on her own quest. There's also a bonus short story, "Young Zaphod Plays It Safe," more of a vignette than a full story, which wraps up this completist's package of the Don't Panic chronicles. As the series progresses, its wackier elements diminish, but the satire of human life and foibles is ever present. --Brooks Peck.com Join Douglas Adams's hapless hero Arthur Dent as he travels the galaxy with his intrepid pal Ford Prefect, getting into horrible messes and generally wreaking hilarious havoc. Dent is grabbed from Earth moments before a cosmic construction team obliterates the planet to build a freeway. You'll never read funnier science fiction; Adams is a master of intelligent satire, barbed wit, and comedic dialogue. The Hitchhiker's Guide is rich in comedic detail and thought-provoking situations and stands up to multiple reads. Required reading for science fiction fans, this book (and its follow-ups) is also sure to please fans of Monty Python, Terry Pratchett's Discworld series, and British sitcoms.
