Von Posie Graeme-Evans : The Uncrowned Queen: A Novel (The Anne Trilogy Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Uncrowned Queen: A Novel (The Anne Trilogy Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Steady

decline in the trilogy Von Wombatsbooks "The Uncrowned Queen" has first been published (in Australia) under a different title: "The Beloved", which I consider much more fitting than "The Uncrowned Queen", because in this trilogy Anne de Bohun is Edward VI.'s beloved, but never an uncrowned queen: "The Uncrowned Queen"/"The Beloved", is set two years after "The Exiled" and deals mainly with Edward VI.'s attempts to reclaim his throne after his brother George, the Duke of Clarence, the Earl of Warwick and Margaret of Anjou had plotted against him. Anne takes it upon her to convince allies to help Edward being restored to the throne - quite a difficult task. During all that turmoil Edward and Anne naturally meet and are driven to each other again. Will their love prevail? After her brilliant debut-novel "The Exiled" Graeme-Evans left me a tad more disappointed with each sequel in this trilogy: The main focus is - as mentioned before - on Edward's attempts to reclaim the throne. That's not bad in itself at all, if it hadn't felt like Anne's and Edward's relationship were a subplot, which had been woven in to make readers happy ;-). Their relationship is completely different from what it used to be in the previous books: Apart from the mutual physical attraction there doesn't seem to be much else between them. And last but not least: just like in the second book Graeme-Evans got lost in details too much for my liking, stretching the story line by doing so and therefore this book could have been a good deal shorter. Result: Although Graeme-Evans can tell a story really well and is very much capable of breathing life into history, what was great in the first book took a decline to being a bit boring in the third book. Therefore it is only an okay read - especially if you have read the previous books.

Kurzbeschreibung The thrilling climax to the trilogy that began with *The Innocent* and *The Exiled* brings Posie Graeme-Evans's bittersweet story of two lovers divided by the throne of England to its dramatic conclusion. As England tears itself apart in the War of the Roses, Anne de Bohun lives far from the intrigues of cities and courts. Once King Edward IV's mistress, Anne has found safety with their son in Brugge. But now Edward himself is a hunted fugitive, and Anne's real father, King Henry VI, rules again from Westminster. Summoned by an enigmatic message from her lover, Anne is drawn once more to the passion, the excitement, and the deadly danger that Edward brings into her life. But now, the girl who was once a penniless servant has a child to protect and an inheritance to defend. Can she let her love for Edward threaten everything she has? Or will she need his help to protect her from the powerful enemy who means to destroy her? Boasting an extraordinary heroine and intense, intersecting plots, *The Uncrowned Queen* is a dazzling and satisfying finale to Anne de Bohun's incredible story. Pressestimmen "Filled with the sights, sounds, scents and passions of the era, brimming over with vivid historical details and teeming with remarkable characters, it is a sumptuous banquet fit for a king and those enamored of Philippa Gregory's recent novels." -- Romantic Times Kurzbeschreibung The thrilling climax to the trilogy that began with *The Innocent* and *The Exiled* brings Posie Graeme-Evans's bittersweet story of two lovers divided by the throne of England to its dramatic conclusion.
