Kurzbeschreibung Millionaire Kane Dennison's first mistake had been carrying an injured Willow Nelson inside his home, which, as a rule, was off-limits. Of course, she'd needed his help, but his one kind gesture had her believing he was a nice man. He wasn't. His second mistake had been surrendering to passion after warning Willow to run away. Because a woman like her deserved better than a one-night stand. She believed in soul mates. He trusted no one. And not even Willow was going to change him! Look for Susan Mallery's new Fool's Gold trilogy, starting in June with Just One Kiss from Harlequin HQN! And don't miss the series prequel novella, Halfway There, coming in May 2013!
