Von Debra Ullrick : The Unintended Groom (Mills Boon Love Inspired Historical) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Unintended Groom (Mills Boon Love Inspired Historical):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Nur zum einmal LesenVon Kim MaierDie Handlung ist an sich nicht schlecht, wirklich ok und gut. Allerdings ist die

Hauptcharaktere Abby sehr anstrengend. Sie ist hin und her gerissen und das quasi über das ganze Buch hindurch, das nervt etwas. Der Brand am Ende ist zu plötzlich und stört etwas den Fluss der Geschichte. Ein Roman zum einmal lesen und ok, aber definitiv nicht der Beste.

Kurzbeschreibung A PERFECT PARTNERSHIP When Abby Bowens dream of love is dashed, she pursues a new dream: opening a dinner theater in Hot Mineral Springs, Colorado. There's just one hitch; she needs a male business partner. The handsome father of twins who answers Abby's ad is perfect perhaps too perfect. Working with someone like Harrison Kingsley without losing her heart will be harder than Abby anticipated. It's a good thing Harrison's arrangement with Abby is strictly business. Because with her kind soul, smiling blue eyes and gentle way with his boys, he could easily fall for her. But the longer he works with Abby, the more Harrison realizes that the Lord might have an entirely different partnership planned for them.
