Wrmstens empfohlen. Vermutlich eher fr Frauen interessant, ich wrde dem Roman aber auch mnliche Leser gnnen.0 von 1 Kunden fanden die folgende Rezension hilfreich. UnexpectedVon NurdugDidn't really expect much when I bought this book,

especially since it was quite cheap. The story, with its different timelines and described from different people, drew me in quickly though and I enjoyed it very much. Not your typical crime story though, quite unique. Give it a try. 1 von 3 Kunden fanden die folgende Rezension hilfreich. The Unseen Von Marianne Schwinghammer Fand den Aufbau der sich stetig ansteigenden Spannung im Buch sehr gut gemacht. Das mehr oder weniger offene Ende lässt viel Raum für eigene Fantasien. Hatte aber gerne gewusst, wie es mit Albert Canning weiterging.

Kurzbeschreibung Occult happenings, romantic passion, and murder disrupt the peace of a Berkshire village in 1911 in this hauntingly good novel. Marie Claire (UK) Katherine Webbs debut novel, *The Legacy*, was an international bestseller and her remarkable second effort, *The Unseen*, is as gripping, thrilling, and unforgettable as her first. In this compelling story of love, deception, obsession, and illusion, the arrival of two dangerous strangers in a small village in England in the early 1900s disrupts the quiet lives of a vicar with a fascination with spiritualism and his naive young wife, and ultimately leads to murder. *The Unseen* is literary suspense at its most entertaining and enthralling, truly superior fiction not unlike the captivating tales of Kate Morton and Diane Setterfield. Pressestimmen "Webb winds her way through three generations of women by following the path of grief created by a broken heart, crafting characters you care about and a story you won't soon forget: poignant and completely engrossing." --M. L. Malcolm, author of *Heart of Deception* on *The Legacy* Werbetext From the author of the acclaimed debut *THE LEGACY* comes a compelling tale of love, deception and illusion.
