KundenrezensionenHilfreichste Kundenrezensionen16 von 16 Kunden fanden die folgende Rezension hilfreich. Klasse Mischung aus Action, Romantik und HumorVon Ein KundeTom Paoletti, ein US Offizier und Navy SEAL,

bekam nach einer schweren Kopfverletzung 30 Tage Urlaub und beschloss, seinen Groomkel Joe Paoletti zu besuchen. Auf dem Flughafen seiner Heimatstadt glaubte er einen totgeglaubten Terroristen zu erkennen und alarmierte seine Vorgesetzten. Doch aufgrund seiner Kopfverletzung und den möglichen Nachwirkungen wie z.B. Halluzinationen glaubten ihm seine Chefs nicht. Tom trommelte daraufhin trotz seiner Selbstzweifel (hat er sich den Terroristen vielleicht doch nur eingebildet?) seine Troubleshooters, das Elite-Antiterroristen Team Sixteen der US Navy, zusammen, um den gefährlichen Terroristen ausfindig zu machen. In seiner Heimatstadt traf er auch die Kinderrztin Kelly Ashton wieder, seine alte Highschool-Liebe. Sie war in die Kleinstadt zurückgekehrt, weil ihr Vater Charles Krebs im Endstadium hatte. Charles war der beste Freund und Kriegskamerad von Toms Groomkel Joe, und in faszinierenden Rückblenden erfährt der Leser von deren Erlebnissen in der französischen Resistance während des 2. Weltkriegs. Der dritte Handlungsstrang handelte von David Sullivan, einem talentierten jungen Comiczeichner und Mallory Paoletti, Toms Nichte. Die beliebte US-Autorin Suzanne Brockmann erzählt wie gewohnt diese spannende und ergreifende Geschichte gekonnt und mitreißend. Die Fortsetzungen von *The Unsung Hero* sind *The Defiant Hero*, *Over The Edge* und *Out of Control*. Suzanne Brockmann gehört zu meinen persönlichen Entdeckungen des Jahres 2001 und avancierte nach nur zwei Büchern zu meinen automatischen Kauf-Autoren. A MUST READ!!! 3 von 3 Kunden fanden die folgende Rezension hilfreich. A Must Read! Von mainebookworm / Gayle Offerjost I have been a fan for a long time (so I am biased) but this is Suzanne's BEST BOOK YET! She has it ALL in "The Unsung Hero" - romance, suspense, super historical and contemporary research, multiple storylines and wonderful 'wrap-ups'... such an incredible book! I am a voracious reader and my husband said that he hasn't seen me so worked up over a book in a long time - so that's saying something about how great it is! As other reviewers have commented, connecting two contemporary and one historical romance storyline makes for some challenges for the author and she handled it excellently! I especially appreciated her touch with David Mallory and how she helped them get through their negative beliefs about themselves. I will anxiously await the next book from Ms. Brockmann and recommend her titles to anyone who would like to read an engrossing storyline that has both romance and suspense. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Outstanding! Von Mary Stella I admit that I'm a big fan of Suzanne Brockmann's books, so I may have been predisposed to like *The Unsung Hero*. However, I can objectively say that the book surpassed even my high expectations with its attention-grabbing mix of action/adventure, long-simmering romance, young love and an important secondary story told in flashback. Intricate? You bet, but Suzanne does an incredible job weaving it all together in a way that kept me spellbound. Everything in this novel works for me. The plot of injured Navy SEAL Tom Paoletti returning to his small-town Massachusetts home to recover from a possible-career-ending head injury and spotting someone who could be a deadly terrorist is a great set-up. The conflict between hometown doctor Kelly Ashton and her terminally-ill father Charles touches the heart. Even though there's a lot going on, the primary romance between Tom Paoletti and Kelly Ashton is dynamite. I love having two people who have known and been attracted to each other for years finally meet up again. Some readers don't like the addition of the WWII backstory involving Charles Ashton and Tom's great-uncle Joe Paoletti. I disagree. I think the flashback segments are extremely well done and make for compelling reading. I HAD to find out the whole story. So, count this a rave for *The Unsung Hero* because it is definitely at the top of list of my favorite books of the year.

Kurzbeschreibung Troubleshooters: They Never Let You Down. The first addictive romantic suspense novel in New York Times bestselling author Suzanne Brockmann's Troubleshooters series, filled with thrilling adventure, excitement and passion. In *THE UNSUNG HERO*, Lieutenant Tom Paoletti faces a fight with the enemy of his nightmares if he is to have a chance of a life with the woman of his dreams, Kelly Ashton. After a near-fatal head injury, Navy SEAL Lieutenant Tom Paoletti is ordered to take a leave of absence from his team. Although it's the last thing he wants, Tom decides to make the best of a visit home to New England - and a chance to reconnect with childhood sweetheart Kelly Ashton. Kelly, now a doctor, has returned home to lick her wounds following a failed marriage but she has never forgotten Tom, the once infamous bad boy of the town. When Tom catches a terrifying glimpse of an international terrorist in their hometown, and the Navy dismisses the danger as injury-induced imaginings, Kelly is the one person who never doubts him. Creating his own makeshift counterterrorist team from his most loyal officers and the town's residents, Tom knows they must save the day if he is to have one last chance for happiness with Kelly... From Publishers Weekly Four plot lines are expertly interwoven to create a love story-cum-thriller in the latest work by veteran romance author Brockmann (Bodyguard), winner of two Romantic Times Career Achievement Awards and a two-time RITA finalist. Navy SEAL Lt. Tom Paoletti, on medical leave after a near-fatal head injury, returns to his New England hometown and is drawn into an unresolved relationship with the girl he left behind. Kelly Ashton, now a pediatrician, is caring for her dying father when Tom returns to disrupt--and enrich--her life. Then Tom glimpses a terrorist he once pursued who's supposed to be dead, but his antagonistic superiors attribute the unlikely sighting to his head injury. Brockmann keeps the tension high, while also revealing the heartbreaking wartime secret shared by Kelly's father and Tom's beloved uncle. Another subplot involving Tom's niece also plays

nicely into the dramatic finale as Tom and a makeshift team must take on terrorist bombers unaided. With its shift in focus from romance to the action subplot, this novel would make a terrific movie.
