Von Amy Corwin : The Unwanted Heiress (The Archer Family Regency Romances Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Unwanted Heiress (The Archer Family Regency Romances Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Unwanted HeiressVon Kindle JunkiePoor Charlotte, orphaned at 3, is not wanted by any of her English relations and

her guardianship is passed on from family to family until she lands with the Archers, who have a duke for a nephew. There really wasn't much interaction - nevermind romance - between the hero and heroine of the story. Some of the supporting characters - Mr. Archer and "Cheesy" - are more interesting than the main characters. Some action in the story was a bit contrived and not really believable. At some points humorous - most notably a play on words with "strange". Found it odd that Nathaniel's aunt and uncle "your Grace" him. Overall an ok read, but not for re-reading.

KurzbeschreibungAn American heiress nobody wants; a duke every woman desires; and a murder no one expects.As a young duke, all Nathaniel wants is to be left alone. So when he meets Charlotte, an outspoken American heiress, he is suspicious of her indifference. Too many women have sought--and failed--to catch him.However, Charlotte is unimpressed by his title. She has no interest in English dukes. All she wants is to leave dreary England and travel to the sunny sands of Egypt to see the grand pyramids.Unfortunately, a debutante seeking to entrap Nathaniel gets murdered, and his reputation as a confirmed misogynist makes him a suspect. On impulse, Charlotte comes to his aid, unaware that her actions place her in danger, too.Neither Charlotte nor the duke know that a highwayman interested in rich heiresses is following Charlotte, and that another debutante lies dead in Nathaniel's carriage. And unfortunately, the evidence soon complicates Nathaniel's efforts to prove his innocence and convince Charlotte that he is worthy of her love.Some nights just dont go as planned.Note to Readers: This book was previously published as "I Bid One American".KurzbeschreibungAn American heiress nobody wants; a duke every woman desires; and a murder no one expects.As a young duke, all Nathaniel wants is to be left alone.
