Von Peter Newman : The Vagrant (The Vagrant Trilogy) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Vagrant (The Vagrant Trilogy):

Sollte ich es vergleichen, dann vielleicht mit Michael Ende "der Spiegel im

Spiegel" aber es erzählt eine andere Geschichte. Die Welt irgendwo zwischen Postapokalypse, mittelalterlichem Rittertum, klassischer Helden-Company und Steampunk. Der Held mysteriös, ein lonesome Cowboy, hilfsbereit. Der Leser weiß kaum etwas über ihn, nicht wer er ist, woher er kommt, nichtmal seinen Namen. Er spricht nicht, aber das ist auch nicht nötig. Das Buch funktioniert mit Bildern und Szenen, der Autor versteht es, eine Welt im Kopf des Lesers zu erschaffen, ohne detaillierte Beschreibungen zu benutzen, der Stil ist poetisch, monumental. Bleibt nur eins zu sagen: unbedingt lesen! (oder hören ;)) 1 von 3 Kunden fanden die folgende Rezension hilfreich. Wonderful in many small and a big way Von Anja Bagus I try to do a review in english even if I am german. But I read it in english so ... I bought the book because of the tips for writers the author did on Chuck Wendig's blog. I loved the cover. I was afraid of the book. I read dialogue. I mean, I loathe descriptions. I was through Lord of the Rings in record time ... soooo a hero who doesn't talk? With a baby? ... But I began to read and I was amazed: the author was not afraid to put words to sentences in such ways, which I never read before. He brought this world to my inner eye with the sentences, without saying too much at a time, all in excellent measure. I will not say anything about the story, you have to read it for yourself. But ... read it. It is full of wonders, of heartbreaks, of little and loud laughter, of songs - even though it is a dystopia. But it shows strong heroes, all with flaws and secrets. And it lights a flame. Read it. 0 von 0 Kunden fanden die folgende Rezension hilfreich. original Von Customer Quite an imaginative and original book. Capturing story, although it took some time to get into it.

Kurzbeschreibung The Vagrant is his name. He has no other. Years have passed since humanity's destruction emerged from the Breach. Friendless and alone he walks across a desolate, war-torn landscape. As each day passes the world tumbles further into depravity, bent and twisted by the new order, corrupted by the Usurper, the enemy, and his infernal horde. His purpose is to reach the Shining City, last bastion of the human race, and deliver the only weapon that may make a difference in the ongoing war. What little hope remains is dying. Abandoned by its leader, The Seven, and its heroes, The Seraph Knights, the last defences of a once great civilisation are crumbling into dust. But the Shining City is far away and the world is a very dangerous place. Pressestimmen 'For fans of classic science-fiction literature, this is a must-read.' SciFi Now 'Come visit this brilliantly imaginative land of winged swords and broken solar cells.' SFX The Vagrant is a joy to read: an original and engrossing world, a strong story and a protagonist who is intensely charismatic despite or because of his silence. Newman's debut is written with confidence, flair and imagination, bringing his dark world to marvellously macabre life Adrian Tchaikovsky, Author of Shadows of the Apt series A stunning and ambitious debut novel set in a unique and imaginative world where the only hope rests on the capacity of human beings to love Melinda M.
