Von Jessica MacIntyre : The Vampires of Soldiers Cove (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Vampires of Soldiers Cove (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Review of; The Vampires of Soldiers Cove, by Jessica MacIntyreVon Shadow-walkerJust finished The Vampires of Soldiers Cove on 2013-04-24! I spent any available minute on it and normally I'm rare of time for reading! It took my breath away and it had been a long time ago since I felt so captivated by a book! I love the storyline, the characters are richly

set up with all sides of a living being; good and dark, happy and depressed as life really can be. Twists and turns and a deadly threat kept me up with it. I very much like vampires being caught up in life as humans do. As I myself am through half a century of life by now, I have read a lot of vampire lore from such classical, old stuff like Stoker's Dracula over Varney-The Vampire (which is mostly unknown to younger readers now), following Anne Rice thru her Chronicles to modern stuff like contemporary authors and lots of tv shows and movies and related fanfiction. So I guess I have a very largely spread insight into the matter and as vampires do by their very long life span, I prefer very much stories set up in our contemporary time. It makes me feel to fit in, to have something at hand that sounds familiar to what we and I know and what we are living now. What makes it so easy to let the mind drift in and over in a world of the preternatural, melting into it until it kinda feels common, familiar and less frightening but simply fascinating. I really enjoyed the book from the first to the last word and I hope there will be more of it to come. I wish the author Jessica MacIntyre much success with this book and the urge to provide us with more of it. A recommendation for readers of vampire stories who like settings in contemporary time, diving deep into the worlds of the preternatural and old legends.

KurzbeschreibungWhen 24 year old Rachel Landry, who suffers from a debilitating mental illness, receives a knock at her door one night from a stranger she gets an offer she cant refuse. The chance to live as a vampire, gaining eternal life and relative sanity seems like a great plan. Soon she comes to realize she has been turned for a specific purpose and her vampire existence may be short lived. Also the handsome stranger may not be as much of a stranger as she thought. Facing her demons along with new enemies she must come to rely on her own strength to save her life, and the life of her new clan.

ber den AutorJessica MacIntyre was born in Sydney, Nova Scotia and raised in the tiny rural community of Soldiers Cove. A habitual daydreamer, MacIntyre was sent to the principal's office many times during her school years for not paying attention in class. In 1998 she moved to Dartmouth, Nova Scotia with her husband and began writing seriously a few years later. Her first novel, "The Vampires of Soldiers Cove" is available now on and is the first in "The Vampires of Soldiers Cove" series. MacIntyre has also published two works of Paranormal Erotica titled, "The Slave Queen", and "The Slave Knight", also for sale on . She lives in Dartmouth, Nova Scotia with her husband and two children.
