Von Angela Elwell Hunt : The Velvet Shadow (Heirs of Cahira O'Connor) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Velvet Shadow (Heirs of Cahira O'Connor):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I highly recommend!Von Ein KundeFrom Literary Times The heirs of Cahira O'Connor were women who gave up traditional roles to fight for right. Is Kathleen O'Connor a direct descendant of Cahira's and destined to do great things? As Kathleen reads the journal of Cahira's descendant, Flanna O'Connor, the young southern belle who attends medical

school in Boston intrigues her and we are thrust into the past . . . Flanna has tentatively agreed to marry Roger Haynes, but when she meets his brother Major Alden Haynes, she becomes confused by her feelings for him. Flanna passes her final exam and is desperate to return to her father in Charleston, but all southbound transportation has stopped because the Civil War has begun. In order to return home, Flanna disguises herself as a soldier and begins to aid the sick. Flanna puts her trust in the Lord for it is her belief and faith in Him that guides her, but Alden discovers her ruse. He allows her to stay and continue doctoring the wounded until he can arrange for safe transport and together they share some harrowing experiences. Alden and Flanna love each other but are under the impression that the other's heart belongs to someone else, and it isn't until Roger makes a supreme sacrifice that they finally acknowledge their feelings, only to be separated again. Taylor Morgan, who gave Kathleen the journal, wants to know what happened to Flanna and Alden so she tells him, plus a surprise she learned about him! This is a powerful, unique story as we view the war mostly through Flanna's eyes, and while the reader gets the impression that for the most part, the war was tedious and boring, this book is anything but! I applaud Ms. Hunt for the thorough research, as it supports the authenticity and credibility of Flanna's story. Enthralling! Ms. Hunt is an expert storyteller and *The Velvet Shadow* is her masterpiece! Very well written as Ms. Hunt develops the tender romance between this atypical southern belle and her northern soldier during the most horrible period of our history! Completely wonderful! I highly recommend and urge you to read *The Velvet Shadow* - you'll love it! Gloria Miller -- Copyright © 2019 Literary Times, Inc. All rights reserved.

Von Ruth Clementson After the artsy perspective of Hunt's *The Golden Cross*, I found Flanna O'Connor of the 19th century to be more practical, though still an interesting character. I enjoyed the plot a great deal, and each character was well-developed. Roger and Alden, brothers and foils, bring an element of tension and frustration into the plot, because they both love Flanna. The struggles the three must endure make for a great, unpredictable story. The whole book, however, does not come together until the end. By the time I came to the last page, I finally felt like all the strings had been tied together. It is not an overwhelmingly easy, lush book to read, but it is realistic, heartwarming, and it all points to the wonderful power of God through Jesus Christ. Bravo, Mrs. Hunt.

Kurzbeschreibung THE HEIRS OF CAHIRA OCONNOR SERIES - BOOK THREE It is said that as Cahira, daughter of the great Irish king Rory O'Connor, lay dying of a wound from a Norman blade, she lifted her hand toward heaven and beseeched God that others would follow breaking forth from the courses to which they are bound to restore right in this murderous world To Kathleen O'Connor, Cahira's story was nothing more than a legend until research divulged that the tale was true. Stunned, Kathleen realizes she herself bears Cahira's mark. Is she destined to continue the legacy? To find the truth, Kathleen must delve into the past to find the truth about *The Heirs of Cahira O'Connor* When Flanna O'Connor, a young medical student in Boston, is cut off from her family in Charleston at the start of the Civil War, she decides to disguise herself and move south with the Union Army. While in disguise, she must prove herself as a soldier and a doctor, both to her messmates and to Major Alden Haynes, brother to the man she has tentatively agreed to marry. But when Flanna and Alden are trapped between two armies, can Flanna trust God with her future and with the love she has sought all her life? From the Trade Paperback edition.

Der Verlag ber das Buch My absolute favorite of the *Heirs of Cahira O'Connor*! I have to admit that I've always been a Civil War buff. Ever since reading *GONE WITH THE WIND* in fifth grade, I've been fascinated by the war that set brother against brother. I've hesitated to set a book in the Civil War

because, frankly, I felt the setting had been done to death, but I think I've hit upon a new theme and approach. In *The Velvet Shadow*, Flanna O'Connor is a southern belle away at medical school in Boston when the war begins. She cannot find a safe way home, so, because the only people moving south are the enlistees from Boston, she disguises herself as a man and joins the Union Army. History tells us that over 400 women fought as men during the Civil War, so the plot isn't all that far-fetched. I hope you'll enjoy the story!
