**Von E. Jamie : The Vendetta (Blood Vows Book 1) (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Vendetta (Blood Vows Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. was sagt man dazu Von kattooja nun, eigentlich eine 5 Sterne Geschichte, aber mit so massiven Schwächen das ich schon versucht war nur einen Punkt zu geben; der Plot als solcher guuuut, die Sprache... ja doch hat was, aber ist manchmal

hardcore - nix fuer junge Leute! Trotzdem kein SM Grusel - zum Glueck! die Mafiastory und das Kennenlernen grandios. aber die Schwchen...u.a. doch einige Logikluecken im Plot und oh mei oh mei... dieser Pseudo - Kleinkind Speak von Brees Sohn, so redet kein Vierjaehriger! Einfach nur nervig, und dann das Ende, hallo... wie bitte, einfach so... mittendrin, das ist noch nicht einmal ein cliffhanger das war einfach: "tinte alle - buch aus! " Schade, so hat es fuer mich nur zu 2,5 - 3 Sternen gereicht, anderenfalls wre es ein echter Hit geworden...

Kurzbeschreibung Mob princess Brianna O'Reiley has just discovered she is pregnant. What should be a joyous occasion is actually a nightmare because she knows that the father is not the husband she recently lost in a mob ordered murder, but Alessandro Dardano, the son of mob boss Bernardo Dardano, her family's greatest enemy. Brianna and Alessandro shared one night of passion after taking shelter in a snow storm, neither knowing the other's identity, that they were the children of families who have had a blood soaked vendetta between them for the past fifty years. Alessandro Dardano, has returned to New York from running his fathers business overseas to take his place as Bernardos successor. The passion he and Brianna generate between them make him question his loyalty to his father, but even more, the love he feels for her makes him want to do whatever he must to make Brianna his, despite her last name. Brianna, who has vowed to make Bernardo pay for his part in her husband's murder, is torn between the searing love she feels for Alessandro and her desire for vengeance. Will this baby bring the two families together, or will he be the lit fuse in an explosion of violence that destroys both sides forever?

ber den Autor und weitere Mitwirkende E. Jamie was the girl in your classroom who was furiously scribbling away on a notebook in her lap while the teacher was talking in the front of the class, but she wasn't taking notes. No, she was penning naughty tales for her fellow classmates to read! It's still an unexplained mystery how she graduated high school with a decent (if admittedly unremarkable) grade point average. A self described 'city girl' E. Jamie lives in Toronto Canada and loves roaming the streets of her vibrant city to feed her muse. She loves penning passionate tales that leave the bedroom door wide open! She enjoys writing across all erotic sub genres from contemporary to historicals! In her spare time she wishes she had more time to read, and explore her city.
