Von Michelle Willingham : The Viking's Forbidden Love-Slave (MacEgan Brothers series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Viking's Forbidden Love-Slave (MacEgan Brothers series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Erotische WikingernovelleVon VioAls der Wikinger Tharand Hardrata die Irin Aisling Brannon entfhrt, hat er ein

klares Ziel vor Augen. Er will die junge Frau seinem König, Magnus, schenken, um sie gegen seine erst 15-jährige Schwester Jora einzutauschen. Die aufkeimenden Gefühle zwischen Tharand und Aisling drohen ihm jedoch einen Strich durch die Rechnung zu machen, bis die Situation am Königshof gefährlich eskaliert. Diese erotische Kurzgeschichte von Michelle Willingham vereint ein bisschen Herzscherz, ein bisschen Romantik, ein bisschen Action mit Erotik im historischen Gewand. Die Protagonisten sind klischeehaft (er ist stark, sie ist hübsch), aber sympathisch, und mit König Magnus und Schwester Jora gibt es zwei Nebenfiguren, über die ich gerne eine Nachfolgeschichte lesen würde, weil am Ende einige Handlungsstränge offen bleiben. Fazit: Kurzweilige, schlicht geschriebene Wikingergeschichte mit netten Protagonisten.

Kurzbeschreibung "You're terrified I'll force myself upon you. And worse, that you'll enjoy it." Aisling Brannon should hate the Vikings who raided her village especially after she's captured as a gift for King Magnus by warrior Tharand Hardrata. But while her head says one thing, her body says quite another. Her attraction to the fierce and forbidding warrior cannot be ignored even though she's intended for another man's bed. As they near Magnus's domain, Tharand's restraint is tested beyond endurance. He can't stop himself from arousing her, bringing her to the peak of pleasure while trying to honor his promise. Soon he must choose: please his king or keep his captive love-slave for himself.
